If yes, then keep reading... Sexuality is a topic that is often perceived as a taboo subject in today's society. Yet, the more we run away from it, the more likely we are to encounter problems within our sex lives. Like any other aspect of a relationship, sexual behavior requires openness and communication in order for both parties to be continually satisfied. There's no better way to establish a healthy, satisfying intimate relationship than studying the Kama Sutra. Anyone who is unfamiliar with the

Kama Sutra may be surprised to know that it's actually an ancient text that was developed thousands of years ago. Specifically, it's believed that the Kama Sutra was written anywhere from 400 BCE to 200 CE. It was originally composed in Sanskrit by the Hindu philosopher Vātsyāyana. Though the Kama Sutra is often regarded as a "sex manual," it is in fact much more about embracing the pleasures of life than about achieving specific sexual positions. In fact, the word "Kama" refers to desire, while "sutra" refers to rules, or the thread that ties all things together. The pursuit of pleasures is known as one of the four aims of life within Hindu traditions. In other words, the Kama Sutra was written as a formula for achieving one's desires. This book covers the following topics: Sexual Compatibility Being vocal in the bedroom the benefits of being vocal Learning to Make Love The Orgasm Emotional and physical intimacy (fireworks) Sex Toys Oral sex techniques Anal Sex Powerful Kama Sutra sex positions Sex position to keep her coming Sexual intuition Sexual fantasies Sex Positions to

Overcome Anxiety and Insecurity The Kama Sutra Erotic Message The Menstrual cycle and sex ...And much more It is said that the writer of the Kama Sutra, Vātsyāyana, did not believe that sex should be regarded as an off-limits, "bad" behavior; although, he did express the notion that performing sexual acts in a detached, unemotional manner should be considered sinful. Although the text is ancient by today's standards, the principles found within it are by no means outdated. In fact, it's possible that just about any romantic relationship could benefit by including some of the Kama Sutra ideologies within its sexual endeavors. Throughout this eBook, we'll explore the ways in which you can implement Kama Sutra practices in your love life to connect on a deeper level with your significant others. Everything from kissing to sexual intercourse can be enhanced so that you can create a more loving, intimate relationship and experience a greater sense of pleasure. You and your loved one can follow along and go at your own pace, exploring the notion of the Kama Sutra in a way that works

best for your relationship. Do you want to learn more? Don't wait anymore, buy now and get started.

change your life. Let yourself be happy. Save hundreds and even thousands of dollars spent on books, courses, manuals, visits to specialists, lawyers. Avoid making your relationship worse and even divorce. Learn how to improve your relationship and your sex life. In my book, you will find answers to the following questions: Why new sexual positions, sex toys, BDSM, public sex, will not improve your sex life for a long time. Why triangles and group sex can forever destroy your relationship. How to deal with boredom in the bedroom. How to make your sex life more interesting and exciting. How to improve your relationship and be happy all your life. Anyone can implement my solution without any problems. It only takes a decision and a little bit of goodwill. For how much would you sell the knowledge that can change people's lives? Hundreds of dollars? Thousands of dollars? But then who would be able to afford to change their lives and become happier? Unfortunately, only a few people. Then maybe you could share your knowledge for free? But then would people respect your words? I

doubt it. People don't respect the things they get for free. My name is Amanda. When I was a teenager, my parents divorced. I decided then to devote my life to finding a solution to a problem that troubles many couples. Most divorces start with sex life. After the first period of excitement and meeting a partner, boredom slowly starts to creep in. This is a serious problem, which usually ends in betrayal and then divorce. For many years I have tried to find the main cause of boredom in the bedroom and discover why new sexual positions, sex toys, BDSM, or public sex do not improve sex life for a long time. I spent hundreds of dollars on books, courses, training, and further education. As a relationship expert, I studied many couples' relationships. I have analyzed the behavior and causes of relationship problems. I've spent countless hours doing this. All this time and my dedication were not in vain. I was able to discover the cause of the problem that troubles so many couples. Use my knowledge today. I have written a guide for people, it's short, it's concise and it's for everyone. All of

that so you could improve your life as soon as possible. Have sex that you haven't even dreamed of and make your relationship satisfying forever. I'm not giving you a book to read before sleep. Do you want to improve your relationship? Do you want to avoid relationship problems before they occur? Or maybe you want to finally have a sex life that you didn't even dream of? The decision is yours. Don't wait...
