"In the wake of the great baseball card bubble of the late 1980s and early 1990s - a time period in which new baseball card issues were wildly overproduced - everybody knows that modern baseball cards are worthless, and that valuable cards are strictly a vintage thing. And yet, many of the most valuable cards of the last 40-50 years have been printed in the last five to ten years ... Indeed, the investment profile of the modern baseball card and sports cards in general has improved dramatically over the past 20 years. In *The Modern Baseball Card Investor*, Jeff Hwang explains why, and shows you how you, too, can get in on the game"--Amazon.com.

Beckett Graded Card Price Guide #20 Beckett Media

Outsider Baseball is the story of a forgotten world, where independent professional ball clubs zig-zagged across America, plying their trade in big cities and small villages alike. Included among the former and future major leaguers were mercenaries, scalawags, and outcasts. This is where Babe Ruth, Rube Waddell, and John McGraw crossed bats with the Cuban Stars, Tokyo Giants, Brooklyn Bushwicks, dozens of

famous Negro league teams, and novelty acts such as the House of David and Bloomer Girls. Legends emerged in this alternate baseball universe and author Scott Simkus sets out to share their stories and use a critical lens to separate fact from fiction. Written in a gritty prose style, *Outsider Baseball* combines meticulous research with modern analytics, opening the door to an unforgettable funhouse of baseball history. Scott Simkus is the founder and editor of the *Outsider Baseball Bulletin*. He is the winner of a research award from

the Society of American Baseball Research for his work on the Negro League Database.
