*Mr. Darcy's Daughter* HarperCollins

a pirate Pride and Prejudice variation On passage back to England from India, Miss Elizabeth Bennet's ship is boarded by pirates. She is shocked to find that she is acquainted with the pirate captain, who is none other than Mr. Fitzwilliam Darcy. Elizabeth only met Darcy once, at a ball years ago in Meryton. Darcy left abruptly to hunt down some soldier named Wickham. The two met for a duel and Wickham fell. Rumors said that Wickham had something to do with the death of Darcy's sister, an event that devastated him and left him a drunkard and gambler who had lost much of his fortune. Apparently, Darcy turned to piracy to make back his fortune. But he is no longer the gentleman that Elizabeth knew. Now taken captive aboard his ship, she is entirely at his mercy... For readers who will enjoy something different: a deliciously damaged and dashing Mr. Darcy in need of the redemptive power of love. THE BOOK OF PRIDE captures the true story of the gay rights movement from the 1960s to the present, through richly detailed, stunning interviews with the leaders, activists, and ordinary people who witnessed the movement and made it happen. These individuals fought battles both personal and political, often without the support of family or friends, frequently under the threat of violence and persecution. By shining a light on these remarkable stories of bravery and determination, THE BOOK OF PRIDE not only honors an important chapter in American history, but also empowers young people today (both LGBTQ and straight) to discover their own courage in order to create positive change. Furthermore, it serves a critically important role in ensuring the history of the LGBTQ movement can never be erased, inspiring us to resist all forms of oppression with ferocity, community, and, most importantly, pride

Autism was not a recognised disorder in Jane Austen's lifetime, but there were certainly people who had autism, and Phyllis Ferguson Bottomer proposes that Austen wrote about them, without knowing what it was that she was describing. So Odd a Mixture looks at characters in Austen's classic novel, *Pride and Prejudice*, who display autistic traits.

Four women, lifelong friends, are turning 40--and what a year it is. Roz, the perfectly controlled (and controlling) politician's wife, is trying to keep her family together as she recovers from breast cancer and her husband runs for the biggest election of his

career. Though he has strayed from her in the past, she has always been there for him--but all that is in jeopardy now that she has learned he has been sleeping with one of her three best friends. Tam has been avoiding commitment all her life, both in an academic career that shows no sign of becoming permanent, and in her sexually combusive affairs with men. But she's ready to make some radical departures--including trying to return the interest of a sexy hunk who has more than just looks. Ever since her husband's early death, Arneatha has immersed herself in her work as an Episcopal priest who runs a school and several community programs. But something is turning cold and brittle inside her, and for the first time in her life she questions her faith. Her last shreds of certainty are stripped from her when she is unexpectedly thrust into the role of mother--and finds herself falling in passionate, school-girlish love with a handsome African man. Finally there is Audrey, whose climb back from the depths of alcoholism nearly costs her her life, but brings renewal to the friends' commitment to each other. Vibrant, funny, heartwrenching, and real, *Pride* is an unforgettable novel.

[We Are Not Like Them](#) HarperCollins

*Pride and Prejudice* and *Mistletoe* from New York Times bestselling author, Melissa de la Cruz, is a sweet, sexy and hilarious gender-swapping, genre-satisfying re-telling, set in contemporary America and featuring one snooty Miss Darcy. Darcy Fitzwilliam is 29, beautiful, successful, and brilliant. She dates hedge funders and basketball stars and is never without her three cellphones—one for work, one for play, and one to throw at her assistant (just kidding). Darcy's never fallen in love, never has time for anyone else's drama, and never goes home

for Christmas if she can help it. But when her mother falls ill, she comes home to Pemberley, Ohio, to spend the season with her family. Her parents throw their annual Christmas bash, where she meets one Luke Bennet, the smart, sardonic slacker son of their neighbor. Luke is 32-years-old and has never left home. He's a carpenter and makes beautiful furniture, and is content with his simple life. He comes from a family of five brothers, each one less ambitious than the other. When Darcy and Luke fall into bed after too many egg-nogs, Darcy thinks it's just another one night stand. But why can't she stop thinking of Luke? What is it about him? And can she fall in love, or will her pride and his prejudice against big-city girls stand in their way?

A GOOD MORNING AMERICA BOOK CLUB PICK Named a Best Book Pick of 2021 by Harper's Bazaar and Real Simple Named a Most Anticipated Book of Fall by People, Essence, New York Post, PopSugar, New York Newsday, Entertainment Weekly, Town & Country, Bustle, Fortune, and Book Riot Told from alternating perspectives, an evocative and riveting novel about the lifelong bond between two women, one Black and one white, whose friendship is indelibly altered by a tragic event—a powerful and poignant exploration of race in America today and its devastating

impact on ordinary lives. Jen and Riley have been best friends since kindergarten. As adults, they remain as close as sisters, though their lives have taken different directions. Jen married young, and after years of trying, is finally pregnant. Riley pursued her childhood dream of becoming a television journalist and is poised to become one of the first Black female anchors of the top news channel in their hometown of Philadelphia. But the deep bond they share is severely tested when Jen's husband, a city police officer, is involved in the shooting of an unarmed Black teenager. Six months pregnant, Jen is in freefall as her future, her husband's freedom, and her friendship with Riley are thrown into uncertainty. Covering this career-making story, Riley wrestles with the implications of this tragic incident for her Black community, her ambitions, and her relationship with her lifelong friend. Like Tayari Jones's *An American Marriage* and Jodi Picoult's *Small Great Things*, *We Are Not Like Them* explores complex questions of race and how they pervade and shape our most intimate spaces in a deeply divided world. But at its heart, it's a story of enduring friendship—a love that defies the odds even as it faces its most difficult challenges.

NEW YORK TIMES BESTSELLER • Wonderfully tender and hilariously funny, *Eligible* tackles gender, class, courtship, and family as Curtis Sittenfeld reaffirms herself as one of the most dazzling authors writing today. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE TIMES (UK) This version of the Bennet family—and Mr. Darcy—is one that you have and haven’t met before: Liz is a magazine writer in her late thirties who, like her yoga instructor older sister, Jane, lives in New York City. When their father has a health scare, they return to their childhood home in Cincinnati to help—and discover that the sprawling Tudor they grew up in is crumbling and the family is in disarray. Youngest sisters Kitty and Lydia are too busy with their CrossFit workouts and Paleo diets to get jobs. Mary, the middle sister, is earning her third online master’s degree and barely leaves her room, except for those mysterious Tuesday-night outings she won’t discuss. And Mrs. Bennet has one thing on her mind: how to marry off her daughters, especially as Jane’s fortieth birthday fast approaches. Enter Chip Bingley, a handsome new-in-town doctor who recently appeared on the juggernaut reality TV dating show *Eligible*. At a Fourth of July

barbecue, Chip takes an immediate interest in Jane, but Chip’s friend neurosurgeon Fitzwilliam Darcy reveals himself to Liz to be much less charming. . . . And yet, first impressions can be deceiving. Praise for *Eligible* “Even the most ardent Austenite will soon find herself seduced.”—O: The Oprah Magazine “Blissful . . . Sittenfeld modernizes the classic in such a stylish, witty way you’d guess even Jane Austen would be pleased.”—People (book of the week) “[A] sparkling, fresh contemporary retelling.”—Entertainment Weekly “[Sittenfeld] is the ideal modern-day reinterpreter. Her special skill lies not just in her clear, clean writing, but in her general amusement about the world, her arch, pithy, dropped-mike observations about behavior, character and motivation. She can spot hypocrisy, cant, self-contradiction and absurdity ten miles away. She’s the one you want to leave the party with, so she can explain what really happened. . . . Not since *Clueless*, which transported Emma to Beverly Hills, has Austen been so delightfully interpreted. . . . Sittenfeld writes so well—her sentences are so good and her story so satisfying. . . . As a reader, let me just say: Three cheers for Curtis Sittenfeld and her astute, sharp and ebullient anthropological interest in the human condition.”—Sarah Lyall, The New York Times Book Review “A clever, uproarious evolution of Austen’s story.”—The Denver Post “If there exists a more perfect pairing than Curtis Sittenfeld and Jane Austen, we dare you to find it. . . . Sittenfeld makes an already irresistible story even more beguiling and charming.”—Elle “A playful, wickedly smart retelling of Jane Austen’s *Pride and Prejudice*.”—BuzzFeed “Sittenfeld is an obvious choice to re-create Jane Austen’s comedy of manners. [She] is a master at dissecting social norms

to reveal the truths of human nature underneath.”—The Millions  
 “A hugely entertaining and surprisingly unpredictable book, bursting with wit and charm.”—The Irish Times “An unputdownable retelling of the beloved classic.”—PopSugar

Zuri Benitez has pride. Brooklyn pride, family pride, and pride in her Afro-Latino roots. But pride might not be enough to save her rapidly gentrifying neighborhood from becoming unrecognizable. When the wealthy Darcy family moves in across the street, Zuri wants nothing to do with their two teenage sons, even as her older sister, Janae, starts to fall for the charming Ainsley. She especially can't stand the judgmental and arrogant Darius. Yet as Zuri and Darius are forced to find common ground, their initial dislike shifts into an unexpected understanding.
