The fairy tales and legends of olden China have in common with the "Thousand and One Nights" an oriental glow and glitter of precious stones and gold and multicolored silks, an oriental wealth of fantastic and supernatural action. And yet they strike an exotic note distinct in itself. The seventy-three stories here presented after original sources, embracing "Nursery Fairy Tales," "Legends of the Gods," "Tales of Saints and Magicians," "Nature and Animal Tales," "Ghost Stories," "Historic Fairy

Tales," and "Literary Fairy Tales," probably represent the most comprehensive and varied collection of oriental fairy tales ever made available for American readers. There is no child who will not enjoy their novel color, their fantastic beauty, their infinite variety of subject.... It is the writer's hope that others may take as much pleasure in reading them as he did in their translation.
