Rock Thomas & Mercer

A NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK OF THE YEAR "A spectacular novel that only this legend can pull off." -Ibram X. Kendi, #1 New York Times-bestselling author of HOW TO BE AN ANTIRACIST, in The Atlantic "An exquisite tale of family legacy....The power and poetry of Woodson's writing conjures up Toni

Morrison." - People "In less than 200 sparsely filled pages, this book manages to encompass issues of class, education, ambition, racial prejudice, sexual desire and orientation, identity, mother-daughter relationships, parenthood and loss....With *Red at the Bone*, Jacqueline Woodson has indeed risen — even further into the ranks of great literature." - NPR "This poignant tale of choices and their aftermath, history and legacy, will resonate with mothers and daughters." -Tayari Jones, bestselling author of *AN AMERICAN MARRIAGE*, in *O Magazine* An unexpected teenage pregnancy pulls together two families from different social classes and explores their histories - reaching back to the Tulsa race massacre of 1921 -- and exposes the private hopes, disappointments, and

longings that can bind or divide us from each other, from the New York Times-bestselling and National Book Award-winning author of *Another Brooklyn* and *Brown Girl Dreaming*. Moving forward and backward in time, Jacqueline Woodson's taut and powerful new novel uncovers the role that history and community have played in the experiences, decisions, and relationships of these families, and in the life of the new child. As the book opens in 2001, it is the evening of sixteen-year-old Melody's coming of age ceremony in her grandparents' Brooklyn brownstone. Watched lovingly by her relatives and friends, making her entrance to the music of Prince, she wears a special custom-made dress. But the event is not without poignancy. Sixteen years earlier,

that very dress was measured and sewn for a different wearer: Melody's mother, for her own ceremony-- a celebration that ultimately never took place. Unfurling the history of Melody's family - reaching back to the Tulsa race massacre in 1921 -- to show how they all arrived at this moment, Woodson considers not just their ambitions and successes but also the costs, the tolls they've paid for striving to overcome expectations and escape the pull of history. As it explores sexual desire and identity, ambition, gentrification, education, class and status, and the life-altering facts of parenthood, *Red at the Bone* most strikingly looks at the ways in which young people must so often make long-lasting decisions about their lives-- even before they have begun to figure

out who they are and what they want to be.

Variety Major U.S. Showbusiness Awards
Penguin

The first book devoted entirely to women in bluegrass, *Pretty Good for a Girl* documents the lives of more than seventy women whose vibrant contributions to the development of

bluegrass have been, for the most part, overlooked. Accessibly written and organized by decade, the book begins with Sally Ann Forrester, who played accordion and sang with Bill Monroe's Blue Grass Boys from 1943 to 1946, and continues into the present with artists such as Alison Krauss, Rhonda Vincent, and the Dixie Chicks. Drawing from extensive interviews, well-known banjoist Murphy Hicks Henry gives voice to women performers and innovators throughout bluegrass's history, including such pioneers as Bessie Lee Mauldin, Wilma Lee Cooper, and Roni and Donna Stoneman; family bands including the Lewises, Whites, and McLains; and later pathbreaking performers such as the Buffalo Gals and other all-girl bands, Laurie Lewis, Lynn Morris, Missy Raines,

and many others.

(Book). A tradition-rich singer and

songwriter, Emmylou Harris nonetheless defies convention at every turn. She builds bridges between country, folk, gospel, rock, and bluegrass, honoring and celebrating the past while retaining a sensibility that is progressive and experimental. From her harmony vocals on key 1970s sessions with Gram Parsons and Bob Dylan to her more than forty years of recording distinctive solo albums, Harris has remained one of country music's most vital and satisfying artists. This book complements the Country Music Hall of Fame and Museum exhibition *Emmylou Harris: Songbird's Flight*, and contains commentary from Nashville Songwriters Hall of Fame member Rodney Crowell and infamous "Road Manager" Phil Kaufman, along with rare photos not included in the

exhibit.

InMusic So You Want to Sing

A ROUGH GUIDE to rock music which spans the past forty years. Entries on more than 1,000 bands have been written by 120 fans rather than music journalists, providing fresh angles on the music. Essential biographical details are given, as are recommendations for the best recordings available.

Joel Whitburn's Top Pop Albums,

1955-2001 Country Music Hall of Fame The legendary Dolly Parton shares her heartfelt hopes and dreams for everyone. Expanding on the popular commencement speech Dolly Parton gave at the University of Tennessee, *Dream More* is a deeper and richer exploration of the personal philosophy she has forged over the course of her

astonishing career as a singer, songwriter, performer, and philanthropist. Dolly elaborates on the four great hopes she wants us all to embrace: Dream more, Learn more, Care more, and Be more. She offers examples from her own life, from her childhood in the hills of eastern Tennessee to her life as the iconic performer she is today. From one of the legends of our time, Dream More is an honest, funny, and uplifting anthem for all who want to take charge of their lives and forge a future on their own terms.

Containing 27,000 entries and over 6,000 new entries, the online edition of the Encyclopedia of Popular Music includes 50% more material than the

Third Edition. Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day, including jazz, country, folk, rap, reggae, techno, musicals, and world music, the Encyclopedia also offers thousands of additional entries covering popular music genres, trends, styles, record labels, venues, and music festivals. Key dates, biographies, and further reading are provided for artists covered, along with complete discographies that include record labels, release dates, and a 5-star album rating system.

Pretty Good for a Girl Penguin

At last, the authorized biography of Townes Van Zandt (1944-1997), who wrote such unforgettable songs as “Pancho & Lefty” and “If I Needed You.”

Born to a wealthy oil family in Ft. Worth, Texas, hounded by alcoholism and depression, Van Zandt pursued a nomadic existence following his muse, whatever the cost to himself, friends, and relatives. Based on exclusive interviews with those close to Van Zandt, including his best friend Guy Clark and colleagues like Steve Earle and John Prine, *To Live's to Fly* captures all the humor, hijinks, poetry, and heartbreak of this revered, genuinely outlaw country artist.

Dream More Record Research

In this innovative celebration of diversity and affirmation of individuality in animals and humans, Joan Roughgarden challenges accepted wisdom about gender identity and sexual orientation. A distinguished evolutionary biologist, Roughgarden takes on the medical establishment, the Bible, social science—and even Darwin himself. She leads the reader through a fascinating discussion of diversity in gender and

sexuality among fish, reptiles, amphibians, birds, and mammals, including primates. Evolution's Rainbow explains how this diversity develops from the action of genes and hormones and how people come to differ from each other in all aspects of body and behavior. Roughgarden reconstructs primary science in light of feminist, gay, and transgender criticism and redefines our understanding of sex, gender, and sexuality. Witty, playful, and daring, this book will revolutionize our understanding of sexuality. Roughgarden argues that principal elements of Darwinian sexual selection theory are false and suggests a new theory that emphasizes social inclusion and control of access to resources and mating opportunity. She disputes a range of scientific and

medical concepts, including Wilson's genetic determinism of behavior, evolutionary psychology, the existence of a gay gene, the role of parenting in determining gender identity, and Dawkins's "selfish gene" as the driver of natural selection. She dares social science to respect the agency and rationality of diverse people; shows that many cultures across the world and throughout history accommodate people we label today as lesbian, gay, and transgendered; and calls on the Christian religion to acknowledge the Bible's many passages endorsing diversity in gender and sexuality. *Evolution's Rainbow* concludes with bold recommendations for improving education in biology, psychology, and medicine; for democratizing genetic engineering and

medical practice; and for building a public monument to affirm diversity as one of our nation's defining principles. Red at the Bone University of Texas Press
