Para muchos historiadores y críticos, En busca del tiempo perdido no solo es una obra cumbre de las letras francesas del siglo xx, sino también una de

las más grandes creaciones literarias de todas las épocas, en la que la trasposición en el relato de la vida de Marcel Proust (1871-1922), así como de personajes y ambientes sociales de su tiempo, dio forma a un nuevo y fecundo camino en el campo de la novela. Por el

camino de Swann es el primer volumen de la serie, en esta obra el narrador introduce al lector en su universo literario de memoraciones de la infancia y la historia de amor y celos de Swann por Odette. La obra trae uno de los pasajes más famosos de la literatura, cuando el narrador come una magdalena (especie de bola de masa horneada) mojada en té y ve su conciencia bucear involuntariamente en el pasado. Las criaturas de Proust son víctimas de esta circunstancia y condición predominante: el tiempo. No hay escapatoria de horas y días. Ni mañana ni ayer.

But as the cloud follows him, it grows bigger and bigger and becomes harder and harder to ignore. Pretty soon the cloud is all Willy can think about, and he has no idea how to make it go away.

Best Illustrated Picture Book, now in an oversized trim for added value and fun! The Hueys are small and mischievous, unique compared to the world's other creatures--but hardly unique to one another. You see, each Huey looks the same, thinks the same, and does the same exact things. So you can imagine the chaos when one of them has the idea of knitting a sweater! It seems like a good idea at the time--he is quite proud of it, in fact--but it does make him different from the others. So the rest of the Hueys, in turn, decide that they want to be different too! How? By knitting the exact same sweater, of course! The first in a series of child-friendly concept books by the

#1 bestselling artist of *The Day the Crayons Quit*, *How to Catch a Star*, *Stuck*, and *This Moose Belongs to Me*, *The New Sweater* proves that standing apart can be accomplished even when standing together.

 Oliver Jeffers, arguably the most influential creator of picture books today, offers a rare personal look inside his own hopes and wishes for his child--and in doing so gifts children and parents everywhere with a gently sweet and humorous missive about our world and those who call it home. Insightfully sweet, with a gentle humor and poignancy, here is Oliver Jeffers' user's guide to life on Earth. He created it specially for his son, yet with a universality that embraces all children and their parents. Be it a complex view of our planet's terrain (bumpy, sharp, wet), a deep look at our place in space (it's big), or a guide to all of

humanity (don't be fooled, we are all people), Oliver's signature wit and humor combine with a value system of kindness and tolerance to create a must-have book for parents. Praise for *Here We Are*: -"A sweet and tender distillation of what every Earthling needs to know and might well spend a lifetime striving to achieve. A must-purchase for new parent shelves"-- School Library Journal - "From the skies to the animal kingdom to the people of the world and lots of other beautifully rendered examples of life on Earth, *Here We Are* carries a simple message: Be kind." -- NPR - "[An] enchanting gem of a children's book"--NBC's Today Show -"A must-have

book for parents."-- Gambit -"A celebration of people all shapes and sizes, and of the beauty and mystery of our Earth."--Booklist - "...a beautifully illustrated guide to living on Earth and being a good person."-- Brightly -[*Here We Are*] is a tour through the land, the sea, the sky, our bodies; dioramas of our wild diversity....[Jeffers] is the master of capturing the joy in our differences."--New York Times Book Review *Lost Futures* Macmillan PICTURE BOOKS. Shining star Oliver Jeffers is back with this star spangled intergalactic adventure tale in space! One day a boy finds an aeroplane in his cupboard. Up, up, up and away he flies, high into the sky. Whizzing past clouds,

stars and planets until suddenly, he runs out of petrol! Miles from earth, the boy crashes into the moon and waits. Just as he is beginning to get cold and lonely, a friendly martian appears from the darkness, also with a broken aircraft. Together they come up with a super plan to float the boy back down to earth to collect his toolbox. Can the boy find his way back home safely and will he ever make it back up to the moon to rescue his friend?

Once There Was a Boy... Arte Publico Press

The highly anticipated new book from the acclaimed author of *The Accident Season* is a gorgeous, twisty story about things gone missing, things returned from the past, and a group of teenagers, connected in ways they could never have imagined. One stormy Irish summer night, Olive and her best friend, Rose, begin to lose things. It starts with simple items like hairclips and jewelry,

but soon it's clear that Rose has lost something much bigger, something she won't talk about, and Olive thinks her best friend is slipping away. Then seductive diary pages written by a girl named Laurel begin to appear all over town. And Olive meets three mysterious strangers: Ivy, Hazel, and her twin brother, Rowan, secretly squatting in an abandoned housing estate. The trio are wild and alluring, but they seem lost too—and like Rose, they're holding tight to painful secrets. When they discover the spellbook, it changes everything. Damp, tattered and ancient, it's full of hand-inked charms to conjure back things that have been lost. And it just might be their chance to find

what they each need to set everything back to rights. Unless it's leading them toward things that were never meant to be found...

Más tarde comienzan aparecer por el pueblo las seductoras páginas del diario escrito por una chica llamada Laurel, y

Olive se encuentra con tres misteriosos desconocidos: Ivy, Hazel y su hermano gemelo, Rowan. Cuando el nuevo grupo de amigos descubre un misterioso libro rojo, todo cambia. Sus desgastadas páginas están llenas de hechizos para conjurar todo aquello que se ha perdido. Y ellos piensan que podría ser su oportunidad de encontrar lo que cada uno necesita. From the illustrator of the #1 smash *The Day the Crayons Quit* comes another bestseller--a giggle-inducing tale of everything tossed, thrown, and hurled in order to free a kite!

When Floyd's kite gets stuck in a tree, he's determined to get it out. But how? Well, by knocking it down with his shoe, of course. But strangely enough, it too gets stuck. And the only logical course of action . . . is to throw his other shoe. Only now it's stuck! Surely there must be something he can use to get his kite unstuck. An orangutan? A boat? His front door? Yes, yes, and yes. And that's only the beginning. Stuck is Oliver Jeffers' most absurdly funny story since *The Incredible Book-Eating Boy*. Childlike in concept and vibrantly illustrated as only Oliver Jeffers could, here is a picture book worth rescuing from any tree.
