The Great Indian Middle Class Laurence King Publishing

A photographic journey through the history of this epic city Samuel Johnson famously said that: "When a man is tired of London, he is tired of life." London's remarkable history, architecture, landmarks, streets, style, cool, swagger, and stalwart residents are pictured in hundreds of compelling photographs sourced from a wide array of archives around the world. London is a vast sprawling metropolis, constantly evolving and growing, yet throughout its complex past and shifting present, the humor,

unique character, and bulldog spirit of the people have stayed constant. This book salutes all those Londoners, their city, and its history. In addition to the wealth of images included in this book, many previously unpublished, London's history is told through hundreds of quotations, lively essays, and references from key movies, books, and records. From Victorian London to the Swinging 60s; from the Battle of Britain to Punk; from the Festival of Britain to the 2012 Olympics; from the foggy cobbled streets to the architectural masterpieces of the millennium; from rough pubs to private drinking ♣ from Royal Weddings to raves, from the charm of the East End to the wonders of the Westminster; from Chelsea girls to Hoxton hipsters; from the power to glory: in page

after page of stunning photographs, reproduced big and bold like the city itself, London at last gets the photographic tribute it deserves. Photographs by: Slim Aarons, Eve Arnold, David Bailey, Cecil Beaton, Bill Brandt, Alvin Langdon Coburn, Anton Corbijn, Terence Donovan, Roger Fenton, Bert Hardy, Evelyn Hofer, Frank Horvat, Tony Ray-Jones, Nadav Kander, Roger Mayne, Linda McCartney, Don McCullin, Norman Parkinson, Martin Parr, Rankin, Lord Snowdon, William Henry Fox Talbot, Juergen Teller, Mario Testino, Wolfgang Tillmans, and many, many others. For die-hard lovers of Paris, Berlin, London, Los Angeles, and New York, TASCHEN introduces the Portrait of a City Art Edition series. For each edition, limited to only 500 copies, a legendary local

fashion designer is invited to design a bespoke fabric to line the cover, and a large signed and numbered print of one of the images from the book is included. Paul Smith has designed the fabric cover for the Art Editions of London: Portrait of a City, and the print Traffic Policeman was taken by photographer Elmar Ludwig. Art Edition B - No. 501-1,000 Traffic Policeman, 1960s Fine art print on archival paper 52 x 68 cm (20.5 x 26.8 in.) (Frame not included) Also available in another Art Edition (No. 1-500)

Fashion Image Revolution Human Kinetics Dressing the Man is the definitive guide to what men need to know in order to dress well and look stylish without becoming fashion victims. Alan Flusser's name is synonymous with taste and style. With his new book, he combines his encyclopedic knowledge of men's clothes with his signature wit and elegance to address the fundamental paradox of modern men's fashion: Why, after men today have spent more money on clothes than in any other period of history, are there fewer well-dressed men than at any time ever before? According to Flusser, dressing well is not all that difficult, the real challenge

lies in being able to acquire the right personalized instruction. Dressing well pivots on two pillars -- proportion and color. Flusser believes that "Permanent Fashionability," both his promise and goal for the reader, starts by being accountable to a personal set of physical trademarks and not to any kind of random, seasonally served-up collection of fashion flashes. Unlike fashion, which is obliged to change each season, the face's shape, the neck's height, the shoulder's width, the arm's length, the torso's structure, and the foot's size remain fairly constant over time. Once a man learns how to adapt the fundamentals of permanent fashion to his physique and complexion, he's halfway home. Taking the reader through each major clothing classification step-by-step, this user-friendly guide helps you apply your own specifics to a series of dressing options, from business casual and formalwear to pattern-on-pattern coordination, or how to choose the most flattering clothing silhouette for your body type and shirt collar for your face. A man's physical traits represent his individual road map, and the quickest route toward forging an enduring style of dress is

through exposure to the legendary practitioners of this rare masculine art. Flusser has assembled the largest and most diverse collection of stylishly mantled men ever found in one book. Many never-before-seen vintage photographs from the era of Cary Grant, Tyrone Power, and Fred Astaire are employed to help illustrate the range and diversity of authentic men's fashion. Dressing the Man's sheer magnitude of options will enable the reader to expand both the grammar and verbiage of his permanent-fashion vocabulary. For those men hoping to find sartorial fulfillment somewhere down the road, tethering their journey to the mind-set of permanent fashion will deliver them earlier rather than later in life.

NEW YORK TIMES BESTSELLER • The first published collection of photographs by the icon of street style, bringing together favorites published in The New York Times alongside never-before-seen work across five decades. "A dazzling kaleidoscope from the gaze of an artist who saw beauty at every turn."—André Leon Talley Bill Cunningham's photography captured the evolution of style, of trends, and of the everyday, both in New York City and in Paris. But his work also shows that street style is not only about fashion; it's about the people and the changing culture. These photographs—many never before seen, others having originally appeared in The New York Times and elsewhere—move from decade to decade, beginning in the

1970s and continuing until Cunningham's death in 2016. Here you'll find Cunningham's distinctive chronicling of the 1980s transit strike, the rise of 1990s casual Fridays, the sadness that fell over the city following 9/11, Inauguration Day 2009, the onset of selfies, and many other significant moments. This enduring portfolio is enriched by essays that provide a revealing portrait of Cunningham and a few of his many fascinations and influences, contributed by Cathy Horyn, Tiina Loite, Vanessa Friedman, Ruth La Ferla, Guy Trebay, Penelope Green, Jacob Bernstein, and a much favored subject, Anna Wintour. More than anything, *On the Street* is a timeless representation of Cunningham's

commitment to capturing the here and now. "An absolute delight."—People
