NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s bestselling new novel, *To Paradise*, available now.

**My Theatre Life** Routledge

“[Julius] Green turned detective himself and scoured archives around the world to uncover a number of unpublished, unknown works . . . This book is a treat.” —Independent (UK) From the producer of numerous Agatha Christie stage plays comes the first book to examine the world’s bestselling mystery writer’s career and work as a playwright, published to commemorate her 125th birthday. Agatha Christie has long been revered around the world for her mysteries and the indelible characters she created, Miss Jane Marple and Hercule Poirot. In addition to her contributions as

a novelist, this gifted writer was also an acclaimed playwright. Offering a unique, in-depth look at her work for the stage, *Curtain Up* analyzes her plays and features excerpts from Agatha Christie’s correspondences, notebooks, and several unpublished and unperformed scripts quoted from for the first time.

Meticulously researched, peppered with groundbreaking discoveries—including a detailed discussion of her only play to premiere in America—*Curtain Up* sheds new light on Christie’s artistry and adds a fascinating layer to her remarkable story. *Shakespeare the Player* Grove Press

Comedy. An experienced actor and a novice interact backstage and on stage. 1 act, 26 scenes, 2 men, 1 interior.

*A Life in Acting* New York : Harper & Row (Applause Books). "Eric Bentley's radical new look at the grammar of theatre...is a work of exceptional virtue... The book justifies its title by being precisely about the ways in which life manifests itself in the theatre...This is a book to be read again and again."

Frank Kermode, *The New York Review of Books*

*A Life in the Theatre* Samuel French, Inc.

Explores Irving Thalberg's importance as not only a producer, but also a theorist of studio-era filmmakingOffers a critical reappraisal of Thalberg's legacyProvides in-depth analyses of Thalberg's productions at MGM from 1924 through 1936Examines Thalberg's impact on film-historical turning points, including the transition to sound cinema and the development of the Production CodeIrving Thalberg was not just a critically important producer during Hollywood's Golden Age, but also an innovative theorist of studio-era filmmaking. Drawing on archival sources, this is the first book to explore Thalberg's insights into casting, editing, story composition and the importance of the mass audience from a theoretical perspective. It examines Thalberg's impact on film-

historical turning points, such as the transition to sound cinema and the development of the Production Code, and features in-depth analyses of Thalberg's productions at MGM from 1924 to 1936, including films like *The Big Parade* (1925), *The Broadway Melody of 1929* (1929) and *Romeo and Juliet* (1936). The book argues that Thalberg's views represent a unified conceptual understanding of filmmaking - one that is still significant in the modern day.

*The Life of the Drama* So You Want To Be...? career guides 'Zbigniew Cynkutis' writings constitute invaluable testimony of his work with Jerzy Grotowski during the 'theatre of productions' phase and beyond. Cynkutis' insights elucidate aspects of the Laboratory Theatre's praxis and provide a unique perspective on the questions most often asked about Grotowski. Authored by one of the Laboratory Theatre's most accomplished actors, this book draws on long-term theatre research and deep knowledge of the craft of acting to offer practical advice indispensable to the professional and aspiring actor alike. The volume offers the English-speaking reader an unprecedented richness of primary source material, which sheds new light on the practical work of one of the most influential theatre directors of the 20th century. Cynkutis' voice is sincere and direct, and will continue to inspire new generations of theatre practitioners.' - Dominika Laster, Yale University Acting with Grotowski: Theatre as a Field for Experiencing Life explores the actor-director dynamic through the experience of Zbigniew Cynkutis, one of Polish director Jerzy Grotowski's foremost collaborators. Cynkutis's work as an actor, combined with his later work as a director and theatre manager, gave him a visionary overview based on precise embodied understanding. Cynkutis's writings yield numerous insights into the commitment needed to make innovative, challenging theatre.

A central component of Acting with Grotowski is his distinctive approach to training: 'Conversations with the Body' includes a range of techniques and approaches to warming up, rehearsing and creating work from a physical starting point, beautifully illustrated by Bill Ireland. The book comprises reflections and practical suggestions on a range of subjects - theatre and culture, improvisation, ethics, group dynamics, and Cynkutis's vision for the Wrocław Second Studio. It contains visual and textual materials from Cynkutis's own private archive, such as diary entries and letters. Acting with Grotowski demonstrates the thin line that separates life and art when an artist works with extreme commitment in testing political and social conditions.

Eric Steiner Routledge

Life can be experienced as a great play — sometimes a comedy, sometimes a tragedy, sometimes an epic, sometimes a satire, but always a play. We can think of ourselves as the main character in our own story. Author Peggy Rubin brilliantly uses traditional theatre as a metaphor for living life more authentically and joyfully. To understand our lives as a sacred art form, Rubin traces the roots of theatre to ancient rituals that celebrated the eternal nature of the soul. She provides the tools to tap into the nine powers of sacred theatre so that our lives can resonate with our highest purpose, including The Power of Incarnation, The Power of Story, The Power of Place, The Power of Now, The Power of Expression, The Power of Point of View, The Power of Conflict, The Power of Audience, and The Power of Celebration. "Playing the play of life is a daring adventure," says Rubin. "It takes courage, focus, excitement, and intention to stop just letting our stories happen and instead enact them with verve and delight." Here she invites readers to take the stage of life and play their story for all it is worth.

**Acting with Grotowski** New York : McGraw-Hill

A smart, witty and accessible guide to the rewarding and joyful practice of improvisation. Classic improv games and variations Telling stories and creating characters Using improv to make theatre and comedy, from monologues to full-scale productions An asset to students and teachers of improvisation in schools, drama schools, higher education and theatre groups, both professional and amateur. It will also be of benefit to organisations and individual readers who want to discover how improv stimulates creativity and confidence in all areas of life.

The Improv Book opens up this exciting discipline to a wider audience.

*A Little Life* Anchor

Life as Theater is about understanding people and how the dramaturgical way of thinking helps or hinders such understanding. A volume that has deservedly attained the status of a landmark work, this was the first book to explore systematically the material and subject matter of social psychology from the dramaturgical viewpoint. It has been widely used and quoted, and has sparked ferment and debate in fields as diverse as sociology, psychology, anthropology, political science, speech communication, and formal theater studies. Life as Theater is organized around five substantive issues in social psychology: Social Relationships as Drama; The Dramaturgical Self; Motivation and Drama; Organizational Dramas; and Political Dramas. This classic text was revised and updated for a second edition in 1990, and includes approximately 66 percent new materials, all featuring individual introductions that provide the dramaturgical perspective and reflect the most learned thinking and work being done within this point of view. This book's sophistication will appeal to the scholar, and its clarity and conciseness to the student. Like its predecessor, it is designed to serve as a primary text or supplementary reader in classes. This new paperback edition includes an introduction by Robert A. Stebbins that explains why, even fifteen years after its publication, Life as Theater remains the best single sourcebook on the dramaturgic perspective as applied in the social sciences.

Life? Or Theatre? Dramatists Play Service, Inc.

A collection of reminiscences, homages, tributes, and work journals tracing the life and work of master playwright-director-teacher Maria Irene Fornes presented in a hypertext fashion. Represented are performers, designers, and producers who have collaborated directly with Fornes on her productions over the years, playwrights who have studied with Fornes and describe writing exercises and master classes, as well as critics and scholars who provide contextual narratives about Fornes impact and influence on generations of American and world theatre. The volume concludes with a interview recently conducted with Fornes herself where she touches on not only the different aspects of her theatrical life but its movement and change over the last forty years.

*The Theatre in Life* Smith & Kraus

"Contains the informal history of forty theatres that were built, as either legitimate houses or movie palaces and that are currently operating as legitimate theatres"--p. xiii.

The Life of the Theatre Bloomsbury Publishing

Real Life Drama is the classic history of the remarkable group that revitalized American theater in the 1930s by engaging urgent social and moral issues that still resonate today. Born in the turbulent decade of the Depression, the Group Theatre revolutionized American arts. Wendy Smith's dramatic narrative brings the influential troupe and its founders to life once again, capturing their joys and pains, their triumphs and defeats. Filled with fresh insights into the towering personalities of Harold Clurman, Lee Strasberg, Cheryl Crawford, Elia Kazan, Clifford Odets, Stella and Luther Adler, Karl Malden, and Lee J. Cobb, among many others, Real Life Drama chronicles a passionate community of idealists as they opened a new frontier in theater.

Hamlet and the Baker's Son is the autobiography of Augusto Boal, inventor of the internationally renowned Forum Theatre system, and 'Theatre of the Oppressed' and author of Games for Actors and Non-Actors and Legislative Theatre. Continuing to travel the world giving workshops and inspiration to teachers, prisoners, actors and care-workers, Augusto Boal is a visionary as well as a product of his times - the Brazil of military dictatorship and artistic and social repression and was once imprisoned for his subversive activities. From his early days in Brazil's political theatre movement to his recent experiments with theatre as a democratic political process, Boal's story is a moving and memorable one. He has devised a unique way of using the stage to empower the disempowered, and taken his methods everywhere from the favelas of Rio to the rehearsal studios of the Royal Shakespeare Company.

*Unfriendly Witnesses* Routledge

While most books about Vaclav Havel are concerned with his role as dissident, activist, and then president of the Czech Republic, Rocamora's (New York University's Tisch School of the Arts) examines Havel's life as a playwright. She tells his story chronologically, from childhood in the 1940s, through presidency in the early 2000s, and addresses his work in theater in great detail, along with his relationships with other writers, and his

legacy as a playwright. The book includes a chronology of plays, and photographs of productions. Annotation : 2004 Book News, Inc., Portland, OR (booknews.com).

**Theatre and Everyday Life** Routledge

A non-stop trip into one man's land of desperate addicts, failed punk bands, and brushes with sad fame, as he sells drugs during the Seattle grunge years. In *American Junkie*, Tom Hansen maps his heroin addiction, from the promise of a young life to the prison of a mattress, from budding musician to broken down junkie, drowning in syringes and cigarette butts, shooting heroin into wounds the size of softballs, and ultimately, a ride to a hospital for a six-month stay and a painful self-discovery that cuts down to the bone. Through it all he never really loses his step, never lets go of his smarts, and always projects quintessential American reason, humor, and hope to make a story not only about drugs, but a compelling study of vulnerability and toughness.

**Dance as Life** Hal Leonard Corporation

*Unfriendly Witnesses: Gender, Theater, and Film in the McCarthy Era* examines the experiences of seven prominent women of stage and screen whose lives and careers were damaged by the McCarthy-era "witch hunts" for Communists and Communist sympathizers in the entertainment industry: Judy Holliday, Anne Revere, Lillian Hellman, Dorothy Parker, Margaret Webster, Mady Christians, and Kim Hunter. The effects on women of the anti-Communist crusades that swept the nation between 1947 and 1962 have been largely overlooked by cultural critics and historians, who have instead focused their attention on the men of the period. Author Milly S. Barranger looks at the gender issues inherent in the investigations and at the destructive impact the investigations had on the lives and careers of these seven women—and on American film and theater and culture in general. Issues of gender and politics surface in the women's testimony before the committeemen, labeled "unfriendly" because the women refused to name names. *Unfriendly Witnesses* redresses

the absence of women's histories during this era of modern political history and identifies the enduring strains of McCarthyism in postmillennial America. Barranger recreates the congressional and state hearings that addressed the alleged Communist influence in the entertainment industry and examines in detail the cases of these seven women, including the appearance of actress Judy Holliday before the committee of Senator Pat McCarran, who aimed to limit the immigration of Eastern Europeans; actress Anne Revere and playwright Lillian Hellman, appearing before the House Un-American Activities Committee, sought the protections of the Fifth Amendment with different outcomes; of writer Dorothy Parker, who testified before a New York state legislative committee investigating contributions to "front" groups; and of director Margaret Webster, before Senator Joseph McCarthy's subcommittee, whose aim was the indictment of Senator J. William Fulbright and the U.S. State Department. None escaped subsequent blacklisting, denial of employment, and notations in FBI files that they were threats to national security. *Unfriendly Witnesses* is enhanced by nine illustrations and extensive excerpts from *Red Channels: The Report of Communist Influence in Radio and Television*, originally published in 1950 at the height of the Red Scare, and which listed 151 allegedly subversive writers, directors, and performers. Barranger includes the complete entries from *Red Channels* for the seven women she discusses, which include the "subversive" affiliations that prompted the women's interrogation by the government. *The Life and Death of Almost Everybody* Simon and Schuster  
 Man of the Millennium' he may be but William Shakespeare is a shadowy historical figures. His writings have been analysed exhaustively but much of his life remains a mystery. This controversial biography aims to redress the balance. To his contemporaries, Shakespeare was known not as a playwright but as an actor, yet this has been largely ignored or marginalised by most modern writers. here John Southworth overturns traditional

images of the Bard and his work, arguing that Shakespeare cannot be separated from his profession as a player any more than he can be separated from his works. Only by approaching Shakespeare's life from this new angle can we hope to learn or understand anything new about him. Following Shakespeare's life as an actor as he learns his craft and begins work on his own plays, Southworth presents the Bard and his plays in their proper context for the first time. Groundbreaking, contentious and a work of deep scholarship and understanding, 'Shakespeare the Player' should change the way we think about the English language's greatest artist.

The Improv Book Hal Leonard Corporation

In the tradition of "The Prize," Kleveman gives readers the 21st-century chapter on the history, passion, and politics of oil and gas resources and the struggle to control them in a critical part of the world.

*The Play that Changed My Life* The History Press

THE STORY: As he tidies up an empty stage, the Sweeper is tempted to experiment with the magic power of the theatre--to create life through the exercise of imagination. After a few preliminary tries in summoning up a rabbit and an elephant, the Swee

Margo Jones Cengage Learning

Alan Read asserts that there is no split between the practice and theory of theatre, but a divide between the written and the unwritten. In this revealing book, he sets out to retrieve the theatre of spontaneity and tactics, which grows out of the experience of everyday life. It is a theatre which defines itself in terms of people and places rather than the idealised empty space of avant garde performance. Read examines the relationship between an ethics of performance, a politics of place and a poetics of the urban environment. His book is a persuasive demand for a critical theory of theatre which is as mentally supple as theatre is physically versatile.
