MADELYNN STEVENS

The History of Ancient Wethersfield, Connecticut
Hachette Books
Dear Black Girls is a letter to all Black girls. Every day poet and educator Shanice Nicole is reminded of how special Black girls are and of how lucky she is to be one. Illustrations by Kezna Dalz support the book's message that no two Black girls are the

same but they are all special- that to be a Black girl is a true gift. In this celebratory poem, Kezna and Shanice remind young readers that despite differences, they all deserve to be loved just the way they are. History of Wallingford, Conn

While very much a living voice, the poems' speaker is not a consistent self but a mutable figure buffeted by tenderness, terror, irony,

or lust into elaborate evasions, exclamations, verbal hijinks, and lyric flights. As its title suggests, Spar embodies both resistance and aspiration, while its epigraphs further emphasize the simultaneous allure and danger of the unknown within the sensual and material worlds and in the mind itself.

An
Unforgettable
Journey
Through an
Unconvention
al Childhood
When Joshua
Safran was
four years old,
his mother--
determined to
protect him
from the
threats of

nuclear war
and Ronald
Reagan -- took
to the open
road with her
young son,
leaving the
San Francisco
countercultura
l scene
behind.
Together they
embarked on
a journey to
find a utopia
they could call
home. In *Free
Spirit*, Safran
tells the
harrowing, yet
wryly funny
story of his
childhood
chasing this
perfect life off
the grid--and
how they
survived the
imperfect one
they found
instead.
Encountering

a cast of
strange and
humorous
characters
along the way,
Joshua spends
his early years
living in a
series of
makeshift
homes,
including
shacks,
teepees,
buses, and a
lean-to on a
stump. His
colorful youth
darkens,
however,
when his
mother
marries an
alcoholic and
abusive
guerrilla/poet.
Throughout it
all, Joshua
yearns for a
"normal" life,
but when he
finally

reenters society through school, he finds "America" a difficult and confusing place. Years spent living in the wilderness and discussing Marxism have not prepared him for the Darwinian world of teenagers, and he finds himself bullied and beaten by classmates who don't share his mother's belief about reveling in one's differences. Eventually, Joshua finds the strength

to fight back against his tormentors, both in school and at home, and helps his mother find peace. But *Free Spirit* is more than just a coming-of-age story. It is also a journey of the spirit, as he reconnects with his Jewish roots; a tale of overcoming adversity; and a captivating read about a childhood unlike any other. *The Directory of Mail Order Catalogs* Thames & Hudson Hippy Modernism:

The Struggle for Utopia accompanies an exhibition of the same title examining the art, architecture and design of the counterculture of the 1960s and early 1970s. The catalogue surveys the radical experiments that challenged societal and professional norms while proposing new kinds of technological, ecological and political utopia. It includes the counter

design proposals of Victor Papanek and the anti-design polemics of Global Tools; the radical architectural visions of Archigram, Superstudio, Haus Rucker Co and ONYX; the media-based installations of Ken Isaacs, Joan Hills and Mark Boyle and Helio Oiticica and Neville D'Almeida; the experimental films of Jordan Belson, Bruce Conner and John Whitney; posters and prints by Emory Douglas, Corita Kent and Victor Moscoso; documentation of performances staged by the Diggers and the Cockettes; publications such as Oz Magazine and The Whole Earth Catalog and books by Marshall McLuhan and Buckminster Fuller; and much, much more. While the turbulent social history of the 1960s is well known, its cultural production remains comparatively under-examined. In this substantial volume, scholars explore a range of practices such as radical architectural and anti-design movements emerging in Europe and North America; the print revolution in the experimental graphic design of books, posters and magazines; and new forms of cultural practice that merged street theater and radical

Bridget Lederle resides in the lighthouse she's tended since her father died. Here, on the rocky shore of Lake Superior, she's alone with the bitter ignominy of her birth, the shame of her love child's death, and the ghost of a

mother she never really knew... That all changes on the wintry night she rescues a mysterious, charismatic stranger whose boat is nearly dashed upon the rocks. After she's nursed him back to health, he tells her a fantastical tale...of another world, where somehow only she can save the beleaguered Empress from sorcerous plottings to usurp the throne. His tale is wildly

fanciful, yet
Bridget feels
somehow
drawn to his
world, to the
empire of
Isavalta.
Kalami, her

transports her
with him from

to a dazzling
world that

Bridget's new

Caught in a

the fate of an

conflicting
desires, she
becomes a
reluctant
player in a
deadly game
of politics and
magic with
rules as hard
to untangle as
the knots in a
silken tassel
or the threads
of a woven

attempts to
see beyond
the masks of

discover truth
in a world
where magical

take almost

each hour she
spends in the

her more

stranger in

bedazzling

must find a
path to
salvation - for
herself and for
her new,
otherworldly

home - but
that path
seems rockier
than the Lake

she left
behind.
