Antiokhia (YAPAMA)

The book is a commentary

on preaching from the
book of Revelation.

Working through the book
of Revelation verse by
verse, the commentary
seeks to help the
preacher recognize what

the book (with its
apocalyptic theology)
invited people in antiquity
to believe and do. . . . The
book of Revelation
communicates through a
series of word-pictures.

Allen explains each word-picture in light of its ancient setting. The commentary brings the viewpoint of the book of Revelation into conversation (through mutual critical correlation) with contemporary theology, especially process thought. The work aims to help the preacher to help the congregation identify what they can genuinely believe and confidently do. Believing that the best preaching arises from the local context, the volume does not include full sermons,

but, rather, seeks to raise issues and questions that might be thought-provoking. *Harmagedon* Stone Bridge Press, Inc. Verklaring van de oliecrisis en het Midden Oosten-conflict vanuit bijbels perspectief. **HarperCollins Bible Dictionary - Revised & Updated** Wipf and Stock Publishers This contribution to The New International Commentary on the New Testament is a revision of Robert Mounce's original entry on the book of

A&C Black Book of Revelation: Commentary Study Guide This study guide is designed for personal and small group studies for the book of Revelation. Easy to follow interpretation helps guide the reader through the complex passages of the final chapter of the bible. Out of the vast stream of

biblical interpretation, perhaps the largest tributary consists of commentaries upon the book of Revelation. Spanning centuries, some of the best minds and most devoted men and women have graced us with their works. The spiritual attack upon the future world has never been fully addressed in chronological detail due to a misinterpretation of certain chapters and passages. Nor has symbolism of certain words and expressions amply made sense, until

now. "Simply Revelation" is an aspired work providing the reader elementary, yet pertinent answers in each chapter that God has conveyed. Propel your mind and soul into a new perception of prophecy, enhancing your faith toward an intimate relationship with God. "I find fascinating the simple message within the complex passages of the Bible. The symbolic idioms in Revelation are used and interpreted with the same figurative definition throughout the entire Bible." The author adds,

"Revelation is a symphony with a progressive, crescendo message of God's covenant for mankind." T. R. Estep's desire to become intimate with God has led him to over 30 years of study. He has shared his findings by serving in teaching ministries at various churches.

Revelation Harper Collins
The poet covers an impressive range of subjects: The creative work of God; rampaging violence in this world; the unforgettable events of September 11, 2001;

friendship; the writers solitude; the age-old search for the fountain of youth. All are sure to satisfy lovers of fine verse.

The Book of Revelation

Gregorian Biblical BookShop

The message of Revelation speaks to Christians for all times, and historically has especially encouraged persecuted groups. Today Christians in many parts of the world are also at opposition to the worldview of the time. Revelation gives strength

to those who are oppressed, and John R. Yeatts' commentary attends to themes of martyrdom, suffering, service in the world, hope, the triumph of Christ, and the role of the church in bearing witness to the triumphant Christ. The commentary includes clear biblical commentary, relationships between various portions of Scripture, and applications drawn from the Anabaptist tradition and the larger Christian community.

Simply Revelation Moody

Publishers

This is a narrative commentary on the Book of Revelation which provides fascinating new look at John's Apocalypse. The symbolic and theological significance of setting, rhetoric, point of view, character, and plot are thoroughly discussed in this volume.

Our God Reigns Xulon Press

Get back to the roots on Revelation Through the centuries since its writing, the book of Revelation has captured the fascination of the

Christian church. The earliest Christians were unanimous in understanding it along a premillennial view of Jesus' second coming, but other hermeneutical approaches began to emerge in the third century. These clouded, and added complexity to, the task of explaining the book's meaning. For most of the Christian era, consequently, many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery. An

avalanche of interpretive literature has evidenced remarkable interest in the book's contents, but along with the interest has come widespread bewilderment. Written especially for the informed layman, student, and scholar, this commentary seeks to clear the air. The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative, evangelical theology, but the reader will not get a narrow view on areas of disagreement.

This commentary interacts with a range of major views, both evangelical and nonevangelical. It reaffirms the basic framework of eschatology espoused by ancient Christianity, but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ. All exegesis and exposition in this 2-volume commentary are based on the original language of the text. Translations used are those of the author, and textual

criticism and word study are included where appropriate. This in-depth commentary also includes extended excursions on important topics of theological and historical interest.

Revelation Yayasan Perpustakaan Injil Indonesia (Yasperin)

The book of Revelation is unlike any other book in scripture, filled with symbols and apocalyptic language. It has become a magnet for some, and confusion for others; while still others ignore it altogether. There are

many today who believe and hold that the book of Revelation is not about the future, but rather the past, fulfilled with the destruction of the Jewish Temple and city of Jerusalem in 70 A.D. by the Roman armies. While many others hold that the book of Revelation is prophetic and was written for a future time beyond the judgment that fell on the Jewish nation in 70 A.D.; and continues to be debated today between these two Christian camps: the Preterists and Futurists. It is vital that

the people of God are given the truth about prophetic scripture. Today it is a fact that false teachers are everywhere in the body of Christ, and have all but snuffed out the light of Christ's prophetic truth. We of the body of Christ cannot continue to sit on the sidelines and remain silent. We must, as good soldiers in Christ arise and go forth in battle to defeat our Lord's enemies wherever they may be found. As soldiers of Christ we do this with the weapons at our disposal

that God gave us; the Sword of Christ, the Sword of Truth, the Holy Scriptures. Many times the question has arisen, "What difference does it make?" Our response is; a proper view of eschatology (a study of end of the age times) is important because God has revealed his truth to us and it is our responsibility to be diligent students in understanding that truth. Disregarding or minimizing any part of it is poor stewardship. It is never acceptable to say "I

could be wrong, but I remain comfortable on my views, and don't want to bother with other views." It is a fact today that someone has to be wrong and is teaching error! And it certainly is not the Holy Spirit teaching those errors of scripture in the body of Christ! Therefore, if one view is correct, the others are wrong. The failure to study this issue, and others, forces us to hold one position or another, that is one's doctrines, as a matter of tradition, rather than the Inspired Doctrine of

Scripture. While a lot of people go to church, very few actually know the Bible and take Jesus Christ our Lord seriously. Secular Christianity has been watered down, especially in the area of God's Word and its meaning; resulting in great division and confusion concerning many passages seen throughout scripture. The New Testament authors did write about prophecy but a good percentage of their prophetic messages dealt with the immediate fate and future of national Israel. Thus, when they

wrote prophetically they wrote primarily about Israel's last days (i.e. end of OC age) while writing prophecy about the early Church's end of the age to come for them, as we read in Hebrews: "So Christ was once offered to bear the sins of many and unto them that look for him shall he appear a second time without sin unto salvation" (Heb. 9-28). The last days are different from the end times. The last days refer to the last days (age) of Old Covenant Israel; as the body of Christ was

being brought in during that 40 year transition period. It was to be the last days for national Israel, but not for the New Covenant Church; its age had just begun, because of God's Grace and the Blood of Jesus Christ our Lord; brought about for the salvation of mankind. In our day, there have come many scoffers both inside and outside of the church, saying that the return of Christ is many, many years away, and others doubt or even deny his coming at all. At present, to most in the

world, they do not appear to be threatened by the return of Christ despite the world's present condition in its moral standing with God. Despite the war in Afghanistan and Iraq, as well as the Israeli-Palestinian conflict, despite North Korea and Iran's nuclear stance, a world economy in a near total collapse; many in the secular media procla

Begeben Sie sich auf das Schlachtfeld von Harmagedon, wenn der Antichrist seine Armeen gegen Petra und Jerusalem marschieren lässt ...

A Commentary on the Apocalypse of John

WestBow Press

This one-volume commentary on the Old Testament including the Deuterocanonical literature is taken from the "Mercer Commentary on the Bible. Every book of the Old Testament receives full commentary treatment, complete with

an introduction and outline to each book, followed by a commentary on each book. This volume is the perfect tool for students and teachers in that it provides the essential information in understanding the text and its meaning. As such, it is deal for introductory courses on the Old Testament/Hebrew Bible, or for individual or group study.

Friede über alle Grenzen

Psychology Press

In the transmission we encounter various transformations of biblical

proper names. The basic phonetic relationship between Semitic languages on the one hand and non-Semitic languages, like Greek and Latin, on the other hand, is so complex that it was hardly possible to establish a unified tradition in writing biblical proper names within the Greek and Latin cultures. Since the Greek and Latin alphabets are inadequate for transliteration of Semitic languages, authors of Greek and Latin Bibles were utter grammatical and cultural

innovators. In Greek and Latin Bibles we note an almost embarrassing number of phonetic variants of proper names. A survey of ancient Greek and Latin Bible translations allows one to trace the boundary between the phonetic transliterations that are justified within Semitic, Greek, and Latin linguistic rules, and those forms that transgress linguistic rules. The forms of biblical proper names are much more stable and consistent in the Hebrew Bible than in Greek, Latin

and other ancient Bible translations. The inexhaustible wealth of variant pronunciations of the same proper names in Greek and Latin translations indicate that Greek and Latin translators and copyists were in general not fluent in Hebrew and did therefore not have sufficient support in a living Hebrew phonetic context. This state affects personal names of rare use to a far greater extent than the geographical names, whose forms are expressed in the oral

tradition by a larger circle of the population. Harmagedon Westminster John Knox Press Pengajaran para rasul sangat penting bagi gereja. sebab itu, kita perlu mengenal apa yang dimaksud dengan pengajaran para rasul. Buku yang terdiri atas 12 bab ini memberikan gambaran yang cukup lengkap tentang pengajaran para rasul. Semoga dengan mengenal pengajaran para rasul, gereja-gereja Tuhan semakin teguh dalam kebenaran dan

meluas ke seluruh bumi.

 Harmagedon* Herald Press
 Originally written to be read aloud in church and to offer comfort and hope to those struggling to be faithful in troubling times, Revelation sparks great

interest with its mysterious symbols of numbers and beasts. Here, two foremost historians offer readers a highly accessible commentary perfect for Bible study leaders. Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual

study and for Bible study classes and groups.

This study seeks a way of understanding Revelation by analysing the structure of the book. Emphasising the context of 'reading aloud' - in installments - Alan Garrow uses the historical circumstances to elucidate the genre of the book.

Then Shall that Wicked be Revealed

Wm. B. Eerdmans Publishing

In this landmark commentary, Craig R. Koester offers a

comprehensive look at a powerful and controversial early Christian text, the book of Revelation. The author provides richly textured descriptions of the book's setting and language, making extensive use of Greek and Latin inscriptions, classical texts, and ancient Jewish writings, including the Dead Sea Scrolls. Rather than viewing Revelation as world-negating, Koester focuses on its deep engagement with social, religious, and economic issues while

addressing the book's volatile history of interpretation. The result is a groundbreaking study that provides bold new insights and sets new directions for the continued appreciation of this text.

Revelation Wm. B. Eerdmans Publishing
This study guide explores the origins and reception history of the Book of Revelation and its continuing fascination for readers from both religious and secular backgrounds. Stephen D. Moore examines the

transcultural impact Revelation has had, both within and beyond Christianity, not only on imaginings of when and how the world will end, but also on imaginings of the risen Jesus, heaven and hell, Satan, the Antichrist, and even Mary the mother of Jesus. Moore traces Revelation's remarkable reception through the ages, with special emphasis on its twentieth and twenty-first century appropriations, before resituating the book in its original context of production: Who wrote

it, where, when, why, and modelled on what? The study guide culminates with a miniature commentary on the entire text of Revelation, weaving together liberationist, postcolonial, feminist, womanist, queer, and ecological approaches to the book in order to discern what it might mean for contemporary readers and communities concerned with issues of social justice.

The Transformation of Biblical Proper Names
Gerth Medien

Edmondo Lupieri's main goal in *A Commentary on the Apocalypse of John* is to introduce readers to the mental and spiritual world of John as both a first-century Jew and a follower of Jesus. The fruit of over ten years of research, a constructive response to postmodern criticism, and an academic best-seller in its Italian edition, Lupieri's commentary offers both new proposals and traditional interpretations to shed light on this complex coda to the biblical message. In an

illuminating preface Lupieri discusses the strange world of the Apocalypse and promises an open commentary, full of original treatments of knotty interpretive problems. Maintaining a strong historical perspective throughout, he examines the text of the Apocalypse line by line, paying careful attention to the Greek text, offering a new translation, making wide use of apocryphal, pseudepigraphal, and Qumran literature, and often analyzing John's

Apocalypse as compared to other Jewish apocalypses. Thoughtful, thorough, and

nonsectarian, Lupieri's Commentary on the Apocalypse of John will

appeal to anyone with a serious interest in the meaning of the biblical text.
