KEY DEVYN

Ma mère, la morte : L'écriture du deuil chez Yourcenar, Beauvoir, Ernaux LOM Ediciones

Provides the listing of books, articles, and book reviews concerned with French literature since 1885. This is a reference source in the study of modern French literature and culture. It contains nearly 8,800 entries.

Towards an Equality of the Sexes in Early Modern France Verso Books

Roman Emperor Constantine raised Christianity from a minority religion to imperial status, but his religious orientation was by no means unambiguous. In *Constantine and the Cities*, Noel Lenski demonstrates how the emperor and his subjects used the instruments of government in a struggle for authority over the religion of the empire.

Naturalisme et excès visuels Vintage

L'auteure évoque le parcours de celle qui se voyait en "correspondante de guerre" au coeur de l'histoire philosophique, politique et littéraire. Comment Simone de Beauvoir, qui use si souvent du mot "privilège", place-t-elle son désir de connaître et de se connaître au coeur du Privilège de la pensée que le XXe siècle lui a accordé? Pourquoi se pose-t-elle la question du deuxième sexe et du devenir de la Femme?

Cahiers de la Femme City Edition

Este ensayo recupera el poder de Simone de Beauvoir, una autora que con su obra tuvo una profunda influencia en el auge de los feminismos en Occidente y fue el faro de varias generaciones de activistas feministas, periodistas, escritoras e intelectuales en el Río de la Plata. Publicado en 1949, el denominado "libro rojo de la nueva feminidad" sigue ejerciendo su potencia en millones de mujeres y varones y continúa siendo una herramienta de emancipación feminista. En Buenos Aires y en Montevideo, investigadoras, escritoras y militantes feministas realizaron homenajes en los cuales reflexionaron sobre la repercusión de la obra beauvoiriana. El segundo sexo en el Río de la Plata aborda diferentes dimensiones del pensamiento de Beauvoir en los textos de Nora Domínguez, Marcela María Alejandra Nari, María Moreno, María Gabriela Mizraje, Tununa Mercado, Graciela Torrecillas, María Magdalena Uzín, Omar Acha, Pablo Ben, María Ileana García Gossio, Marcela Lagarde, Karina Felitti, María Lucía Puppo, Piera Oria, Graciela Sapriza, Susana Rostagnol, Elisa Pérez Buchelli, Elena Ganón Garayalde, Karen Wild Díaz, Lucía Campanella y de las compiladoras Mabel Bellucci y Mariana Smaldone. Las autoras y autores analizan la recepción de la obra de Simone en la Argentina y en Uruguay, su autobiografía, la vida filosófica, la relación con Victoria Ocampo, la crítica a Freud, el lesbianismo, la diferencia entre biología y cultura, el rol de hija y madre, las trabas políticas y editoriales para su publicación en el Río de la Plata, la crítica de Judith Butler y las nuevas generaciones de lectoras, entre otros temas. Volver la mirada sobre la obra de Beauvoir permite comprender la acción política y teórica de las antecesoras del movimiento

feminista y, a su vez, iluminar las luchas presentes y futuras de los colectivos de mujeres heterosexuales, lesbianas, bisexuales, gays y trans por la reivindicación de su identidad y derechos.

De L'Extravagance Musicale à la Gloire Politique: L'Étrange Vadrouille de Michel Joseph Martelly Taylor & Francis

Simone de Beauvoir en sus desvelos es un libro que ofrece un conjunto de reflexiones sobre el pensamiento de Simone de Beauvoir y algunos rasgos peculiares de su escritura. Se encuentran también en él reflexiones inspiradas o desatadas por las escrituras heterogéneas de Beauvoir, que tienen alcances más extensos por revestir un carácter político específico. El nombre del libro obedece a las preocupaciones filosóficas, existenciales, literarias y políticas de Simone que la tocaron intensa y obsesivamente, y que las autoras se proponen interrogar desde una perspectiva feminista.

Trouble with Democracy Nova Fronteira

"An interpretive examination of the legal documents that granted Columbus rights in and to the New World, with a facsimile of the original copy of the Book of Privileges that is housed in the Library of Congress"--Provided by publisher.

The Wisdom and Power of the Cross Cambridge Scholars Publishing

The Wisdom and Power of the Cross is the fifth and final entry in Richard Viladesau's well-regarded series on the theology of the cross, from the historical crucifixion of Jesus to the present day. Continuing his analysis of theological history through cultural contexts, this volume correlates theoretical approaches with artistic representations, showing the relation of theoretical to imaginative approaches. *The Wisdom and Power of the Cross* examines modern and contemporary thought and images, which look at the cross in the light of modern historical and scriptural studies, science, and the novelties of modern and post-modern art and music. Viladesau here considers how the passion of Christ has been thought about by theologians and portrayed by artists in the modern world. Contemporary art and music reveal the lasting power of traditional images of the passion, as well as new possibilities for expression. *The Wisdom and Power of the Cross* surveys both traditional approaches to soteriology and revisionist theologies that take up the challenge of the meaning of the cross today, in light of critical historical studies and modern science, providing new understandings of traditional concepts like "original sin" and "redemption". Through his in-depth exploration of the interweaving of aesthetic and conceptual theology, Viladesau once more deepens our understanding of the foremost symbol of Christianity and its role in salvation history.

Parity Democracy Edinburgh University Press

In 1999 and 2000, France adopted laws to ensure equal access to elected office for women and men. *Parity Democracy* explores the evolution and influence of France's gender parity reforms, from their historical roots to their recent extension beyond the electoral sphere. Drawing on extensive interviews, as well as on European and French legal documents, Praud and Dauphin show that although these reforms have not dramatically boosted women's representation in the National Assembly, they have set

in motion a process of feminization in the electoral sphere that bodes well for the future of parity democracy.

Le privilège de Simone de Beauvoir Cambridge University Press
PREMIO SIMONE VEIL DEL JURADO 2018 El feminismo es un movimiento político, social y cultural cuya importancia actual es innegable. Pero las ideas feministas han existido desde la Antigüedad y en todo el mundo, enfrentando los discursos misóginos y patriarcales establecidos como dominantes. ¿Dónde, cómo y por qué emergen esas ideas? ¿Cuál es su historia, quiénes son sus protagonistas? Valiéndose de datos, testimonios, anécdotas y textos literarios, Séverine Auffret rastrea el desarrollo de diferentes ideas feministas desde sus primeras manifestaciones hasta la contemporaneidad, desde el antiguo Egipto, pasando por la América precolombina hasta las formulaciones más actuales, incorporando las figuras de las Amazonas, Safo, Virginia Woolf, Simone de Beauvoir, Teresa de Ávila, las disidencias sexuales... La variedad y el interés de las muchas problemáticas abordadas, junto con el despliegue de una prosa original, hacen de este libro una obra fundamental para comprender el presente.

La gran historia del feminismo Albin Michel

When Judith G. Coffin discovered a virtually unexplored treasure trove of letters to Simone de Beauvoir from Beauvoir's international readers, it inspired Coffin to explore the intimate bond between the famed author and her reading public. This correspondence, at the heart of *Sex, Love, and Letters*, immerses us in the tumultuous decades from the late 1940s to the 1970s—from the painful aftermath of World War II to the horror and shame of French colonial brutality in Algeria and through the dilemmas and exhilarations of the early gay liberation and feminist movements. The letters also provide a glimpse into the power of reading and the power of readers to seduce their favorite authors. The relationship between Beauvoir and her audience proved especially long, intimate, and vexed. Coffin traces this relationship, from the publication of Beauvoir's acclaimed *The Second Sex* to the release of the last volume of her memoirs, offering an unfamiliar perspective on one of the most magnetic and polarizing philosophers of the twentieth century. Along the way, we meet many of the greatest writers of Beauvoir's generation—Hannah Arendt; Dominique Aury, author of *The Story of O*; François Mauriac, winner of the Nobel Prize and nemesis of Albert Camus; Betty Friedan; and, of course, Jean-Paul Sartre—bringing the electrically charged salon experience to life. *Sex, Love, and Letters* lays bare the private lives and political emotions of the letter writers and of Beauvoir herself. Her readers did not simply pen fan letters but, as Coffin shows, engaged in a dialogue that revealed intellectual and literary life to be a joint and collaborative production. "This must happen to you often, doesn't it?" wrote one. "That people write to you and tell you about their lives?"

La herencia Beauvoir. Susquehanna University Press

A study of Simone de Beauvoir's (1908-1986) political thinking. The author locates de Beauvoir in her own intellectual and political context and demonstrates her continuing significance.
Simone Veil, mille vies, un destin El Colegio de México AC
 Porté aux nues par les écrivains du XIX^e siècle qui voyaient en lui le type même du poète maudit, Byron (1788-1824) a subi au XX^e siècle un long purgatoire avant d'être enfin reconnu comme une personnalité littéraire de premier plan. Après les traductions en prose du siècle dernier qui, malgré leur mérite, n'offraient qu'un pâle reflet, on redécouvre aujourd'hui toute la virtuosité d'un poète qui jongle avec les rimes et les rythmes et qui demandait donc à être traduit en vers. Ce choix de poèmes n'a d'autre ambition que de donner une meilleure idée de ses œuvres les plus célèbres. On y retrouve des poèmes de circonstances qui

transcendent l'anecdote autobiographique, des morceaux de bravoure qui ont fait la réputation de Childe Harold et de Don Juan, sans oublier cet hymne vibrant à la liberté qu'est le Prisonnier de Chillon et, pour finir, la dernière tirade de Marino Faliero, drame peu connu en France et suprême hommage du poète anglais à la Venise de son imagination.

Simone de Beauvoir Lulu.com

Ancora oggi il nome di Simone de Beauvoir è associato al lungo e faticoso processo di liberazione femminile che ha attraversato il Novecento. L'autrice del *Secondo sesso* rimane un punto di riferimento fondamentale non solo nel pensiero ma anche nella storia delle donne, al di là delle divisioni che hanno segnato i diversi percorsi del pensiero e della pratica femminista. L'uscita postuma di nuovi materiali, tra cui le corrispondenze con Sartre e con altre figure cruciali della sua vita come Jacques-Laurent Bost o Nelson Algren, e di alcuni scritti intimi, ha reso possibile delineare nuovi percorsi nell'interpretazione della vita e dell'opera di Simone de Beauvoir, e anche comprendere più in profondità la relazione tra amore necessario e amori contingenti che ha caratterizzato la sua vita. Sandra Teroni ci conduce all'interno del laboratorio creativo della Beauvoir focalizzando l'attenzione sulla genesi dei testi e soprattutto sull'intreccio fra scrittura romanzesca e scrittura autobiografica, saggistica e intima, evidenziando in tal modo un'importanza del vissuto esistenziale niente affatto scontata per l'autrice del *Secondo sesso*, che dichiarava di non aver personalmente mai sofferto di quella condizione femminile denunciata nel suo saggio. Nel libro emerge in modo chiaro l'esigenza di Simone de Beauvoir di passare dalla singolarità dell'io al soggetto plurale, dalla rappresentazione del presente all'analisi dei processi storici, così come trova risalto la centralità del suo impegno civile che la portava ad avere lo sguardo sempre rivolto al futuro, in un appello costante alla libertà e alla lotta per un mondo più giusto. Questa agile monografia procede per «percorsi» - a cominciare da quello amoroso - col risultato di restituire di Simone de Beauvoir un'immagine più complessa e problematica, ancora oggi molto vicina a noi.

Simone, éternelle rebelle John Wiley & Sons

The work of Simone de Beauvoir has endured and flowered in the last two decades, thanks primarily to the lasting influence of *The Second Sex* on the rise of academic discussions of gender, sexuality, and old age. Now, in this new Companion dedicated to her life and writings, an international assembly of prominent scholars, essayists, and leading interpreters reflect upon the range of Beauvoir's contribution to philosophy as one of the great authors, thinkers, and public intellectuals of the twentieth century. The Companion examines Beauvoir's rich intellectual life from a variety of angles—including literary, historical, and anthropological perspectives—and situates her in relation to her forbears and contemporaries in the philosophical canon. Essays in each of four thematic sections reveal the breadth and acuity of her insight, from the significance of *The Second Sex* and her work on the metaphysics of gender to her plentiful contributions in ethics and political philosophy. Later chapters trace the relationship between Beauvoir's philosophical and literary work and open up her scholarship to global issues, questions of race, and the legacy of colonialism and sexism. The volume concludes by considering her impact on contemporary feminist thought writ large, and features pioneering work from a new generation of Beauvoir scholars. Ambitious and unprecedented in scope, *A Companion to Simone de Beauvoir* is an accessible and interdisciplinary resource for students, teachers, and researchers across the humanities and social sciences.

L'Influence de la religion dans le droit international privé des pays musulmans Oxford University Press

Au moment où est célébré le centenaire de Simone de Beauvoir, ce livre évoque le trajet risqué de cette femme de tête qui se voyait en correspondante de guerre au coeur de l'histoire philosophique, politique et littéraire. Suivi d'un court texte écrit au lendemain de la mort de l'écrivain.

Christopher Columbus Book of Privileges University of Pennsylvania Press

This is a standard work of reference for the study of the religious history of western Christianity in the later middle ages which, since its original publication in French in 1981, has come to be regarded as one of the great contributions to medieval studies of recent times. Hagiographical texts and reports of the processes of canonisation - a mode of investigation into saints' lives and their miracles implemented by the popes from the end of the twelfth century - are here used for the first time as major source materials. The book illuminates the main features of the medieval religious mind, and highlights the popes' attempts to gain firmer control over the wide variety of expressions of faith towards the saints in order to promote a higher pattern of devotion and moral behaviour among Christians.

French XX Bibliography, Issue 61 Donzelli Editore

Matricule 78651. Simone Veil a seize ans et elle est condamnée à mourir à Auschwitz. Elle est devenue immortelle. Son destin fascine et intrigue. Il était temps de percer le mystère qui entoure le parcours exemplaire de celle qui est devenue une icône pour des générations de femmes. Se nourrissant de témoignages inédits, Sarah Briand retrace l'itinéraire de la petite fille au caractère rebelle qui s'appelait encore Simone Jacob lorsqu'elle revint des camps de la mort, sa rencontre avec son futur mari, le doux cocon familial, les coulisses de ses combats politiques, les rendez-vous secrets, les blessures et les drames qui ont émaillé sa vie. Une plongée dans l'intimité d'une combattante. Sarah Briand, trente-six ans, journaliste à France 2, est réalisatrice de documentaires pour l'émission de Laurent Delahousse « Un Jour Un Destin », notamment auteur du film Simone Veil, l'instinct de vie.

O que é a subjetividade? Associated University Presse

Jean-Paul Sartre, at the height of his powers, debates with Italy's leading intellectuals In 1961, the prolific French intellectual Jean-Paul Sartre was invited to give a talk at the Gramsci Institute in Rome. In attendance were some of Italy's leading Marxist thinkers, such as Enzo Paci, Cesare Luporini, and Galvano Della

Volpe, whose contributions to the long and remarkable discussion that followed are collected in this volume, along with the lecture itself. Sartre posed the question "What is subjectivity?"—a question of renewed importance today to contemporary debates concerning "the subject" in critical theory. This work includes a preface by Michel Kail and Raoul Kirchmayr and an afterword by Fredric Jameson, who makes a rousing case for the continued importance of Sartre's philosophy.

Stairway to Heaven UBC Press

The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects. The work of the Hague Academy receives the support and recognition of the UN. Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law. The courses deal with the theoretical and practical aspects of the subject, including legislation and case law. All courses at the Academy are, in principle, published in the language in which they were delivered in the "Collected Courses of the Hague Academy of International Law .

Le temps et le transcendant dans l'œuvre de Simone de Beauvoir Marea Editorial

This volume sets out to examine the ways in which an equality between the sexes is constructed, conceptualised, imagined or realised in early modern France, a period and a country which produced some of the earliest theorisations on equality. In so doing, it aims to contribute towards the development of the history of equality as an intellectual category within the history of political thought, and to situate "the woman question" within that history. The eleven chapters in the volume span the fields of political theory, philosophy, literature, history and history of ideas, bringing together literary scholars, historians, philosophers and scholars of political thought, and examining an extensive range of primary sources. Whilst most of the chapters focus on the conceptualisation of a moral, metaphysical or intellectual equality between the sexes, space is also given to concrete examples of a de facto gender equality in operation. The volume is aimed at scholars and graduate students of political thought, history of philosophy, women's history and gender studies alike. It aims to throw light on the history of Western ideas of equality and difference, questions which continue to preoccupy cultural historians, philosophers, political theorists and feminist critics.
