Christopher Ricks is one of the best-known living critics of English, and was described by W. H. Auden as "the kind of critic every poet dreams of finding." Though published independently over many years, each of the essays in this collection asks how a poet's words reveal the "force of poetry," that force--in Dr Johnson's words--"which calls new power into being, which embodies sentiment, and animates matter." The poets covered range from John Gower, Marvell, and Milton to Wordsworth, Empson, Stevie Smith, Lowell, and Larkin, and the book contains four wider essays on clichés, lies, misquotations, and American

English.

Like battles, some redemption cannot be won... In early 1746, Alasdair Macintyre is headed home after the rout at Culloden on Drummoisie Moor, in sight of Inverness. The battle has been lost and scar on his face that makes him so ferocious-looking that even children run from him in terror. He learns his father has betrothed him to a local lass—a nearly blind woman—in exchange for a sizeable dowry and a chunk of land. The woman brings with her a companion that hates him immediately. He has no interest in having a chain around his neck, not even in the form of a woman he once knew as a girl—a gangly, twig of a girl. But Beatrix is no longer the girl Alasdair Macintyre remembers. She's blossomed into a stunning woman, though one that is terrified of the scarred Highlander she's betrothed to.

A History of American English Troubador Publishing Ltd
It hit me, the reality of it, in a way it hadn't before like a sledgehammer straight to the chest. Laura was gone. She was never coming back. I'd never see her again; she'd never hum in the kitchen, she'd never pull Ruby onto her lap and tickle her tummy as she buried her face in the sweet curve of our daughter's shoulder. Nathan West loved his wife Laura with all his heart. But now she's gone, taken from him in a seemingly random act of violence. Laura was the glue that held their family together. And for Nathan, life without her feels almost meaningless. As he tries to find hope in the darkness, his three young daughters express their grief in different and challenging ways—with one set on a path of self-destruction that could devastate their family all over again. Desperate to understand his own heartbreak better, he reaches out to others who had known Laura. Including her new friend Maria, whose light and warmth are exactly what their grieving family needs, and who is soon helping out and providing emotional support for them all. But the picture Maria paints of Laura is unfamiliar to Nathan—of a wife who felt ignored, a mother who felt she couldn't do enough—and he struggles to reconcile it with his own memories of the woman he loved. Is it possible he didn't know his wife after all? And can he trust Maria? He can't escape the feeling that she's keeping something from him. Maria is hiding a secret with the power to rock Nathan's family to its core. Because it is about what happened the day that Laura died... An insightful and powerful novel guaranteed to break your heart, about how the unthinkable can sometimes help us see the world in a powerful new way. In No Time At All Page Publishing, Inc

This is the autobiography of Michael D. Virkaitis's ("Mike Vee") life up to now. It was fun for him to tell friends and family some of the experiences that happened to him that were usually amusing and other times sad. He could talk about his experiences for hours upon hours. His listeners kept saying to him, "You should write a book." After thinking about it for years, he said, "Awh, what the hell, I'll do it." It's been well over seven years now since he started writing, and it certainly was not easy; however, recalling some of the good times made it well worthwhile. He got the name *In the Blink of an Eye* because in recent years, time has raced past him and has been nothing but a blur. So much has happened, but for some reason, most of these last twenty or so years have not been computed and stored within him. It surely was a blur. Why did it pass so fast? What did he miss? He really wishes there were do-overs. Mike was a successful high-ticket-item technical salesman. He had tried and true methods. In this book, he reveals some of the strategies that made him successful and trusted. His name and reputation is still highly respected in the industry he worked in. Mike's methods of attaining success could be a guide for those of you beginning your climb up the ladder and memories to those of you who passed this way. Mike's philosophy was focus on what's ahead and where you are going. The past is something you cannot change. Live with it. It surely is part of the building blocks that will help you succeed. Always remember his favorite proverb: "You are not judged by how many times you fell, you are remembered by how many times you got back up."

Brion Gysin (1916–1986) was a visual artist, historian, novelist, and an experimental poet credited with the discovery of the 'cut-up' technique -- a collage of texts, not pictures -- which his longtime collaborator William S. Burroughs put to more extensive use. He is also considered one of the early innovators of sound poetry, which he defines as 'getting poetry back off the page and into performance.' *Back in No Time* gathers materials from the entire Gysin oeuvre: scholarly historical study, baroque fiction, permuted and cut-up poetry, unsettling memoir, selections from *The Process* and *The Last Museum*, and his unproduced screenplay of Burroughs' novel *Naked Lunch*. In addition, the Reader contains complete texts of several Gysin pieces that are difficult to find, including "Poem of Poems," "The Pipes of Pan," and "A Quick Trip to Alamut."

 Catherine Clarke defied her family's expectations when she married Gabriel, a handsome Lebanese businessman. After moving to Gabriel's homeland and welcoming a baby daughter, Catherine knew she had to acclimate herself to the strange new world. Yet both her husband and her surroundings became more volatile and threatening than she could have ever imagined. When Gabriel forbids her to return to the States, Catherine devises a plan to deceive him, but she vastly underestimates how far he will go to punish her. And after her daughter, Ann Marie, is abducted and taken deep into the mountains of Beirut--protected by family, culture, and law--the only thing on Catherine's side is the fierceness of a mother's love. She's prepared to move heaven and earth to find her child.
