"BR> Linda Howard seamlessly melds thrilling sensuality with heart-pounding dramatic tension -- and brings back the elusive hero of her smash hit novel Kill and Tell -- in this powerful New York Times bestseller. John Medina, the CIA's legendary Black Ops specialist, works in the shadows of the government's deadliest missions. And no one knows the dangers of getting close to him better than does communications expert Niema Burdock. Five years ago, Niema and her husband, Dallas, worked with Medina on an explosive mission that

trapped Dallas in the crossfire -- fatally. Although she has slowly healed from her terrible loss, Niema never planned to see Medina again. But now John Medina needs her.... A French arms dealer is supplying international terrorist units, and only Niema can plant the undetectable bugs needed to crack the deadly ring. Against her better instincts, Niema infiltrates the dealer's glamorous world by going undercover. But when their careful strategy begins to crack, Niema and John take flight in a strange land -- and find their partnership sparking with an erotically charged electricity. In a world of deception, John Medina has once again set Niema on a free fall into danger and desire. Includes an excerpt from Mr. Perfect, Linda Howard's new hardcover novel of romantic suspense

The Works of W. Shakespeare Life Silhouette

They say a life well-lived is the best revenge... Blanche Tucker longs to escape her drop-dead dull life in tiny Boynton, Oklahoma. Then dashing Graham Peyton roars into town. Posing as a film producer, Graham convinces

the ambitious but naive teenager to run away with him to a glamorous new life. Instead, Graham uses her as cruelly as a silent picture villain. Yet by luck and by pluck, taking charge of her life, she makes it to Hollywood. Six years later, Blanche has transformed into the celebrated Bianca LaBelle, the reclusive star of a series of adventure films, and Peyton's remains are discovered on a Santa Monica beach. Is there a connection? With all of the twists and turns of a 1920s melodrama, *The Wrong Girl* follows the daring exploits of a girl who chases her dream from the farm to old Hollywood, while showing just how risky—and rewarding—it can be to go off script.

Queen Geeks In Love Simon and Schuster

A fictional portrait of Henry VIII's first wife, Katherine of Aragon, follows her through her youthful marriage to Henry's older brother, Arthur, her widowhood, her marriage to Henry, and the divorce that led to Henry's marriage to Anne Boleyn.

How Do You Want Me? EK Publishing, LLC

In 1844, Alexandre Dumas published *The Three Musketeers*, a novel so famous and still so popular today that it scarcely needs introduction. Shortly thereafter he wrote a sequel, *Twenty Years After*.

Later, toward the end of his career, Dumas wrote *The Red Sphinx*, another direct sequel to *The Three Musketeers* that begins a mere twenty days afterward. Picking up right where the *The Three Musketeers* left off, *The Red Sphinx* continues the stories of Cardinal Richelieu, Queen Anne, and King Louis XIII—and introduces a charming new hero, the Comte de Moret, a real historical figure from the period. Dumas wrote seventy-five chapters of *The Red*

Sphinx, but never quite finished it and the novel languished for almost a century. While Dumas never completed the book, he had earlier written a separate novella, *The Dove*, that recounts the final adventures of Moret and Cardinal Richelieu. Now for the first time in one cohesive narrative, *The Red Sphinx* and *The Dove* make a complete and satisfying storyline—a rip-roaring novel of historical adventure, heretofore unknown to English-language readers, by the great Alexandre Dumas, king of the swashbucklers.

You Want Me, French Princess! Simon and Schuster

Fifteen years after the French Quarter Queen retired from the amateur chess circuit, someone's still holding a grudge. When Serafine Lisette returns to New Orleans for a week's vacation, she doesn't expect to be attacked a block off of Bourbon Street. She definitely doesn't expect her rescuer to be the boy she beat in her final match all those years ago. The one who never returned her letters. The one who broke her heart. Except Emile Fontaine isn't an awkward teenage boy anymore. Not by a long shot. He's a fighter, competing in underground cage matches so he can help battered women escape their abusers. Men like his father. Feelings from years past threaten to explode, but when their vacation fling turns into more, Emile has to make a choice. Fight the past so he and Serafine can have a future? Or become a pawn in a deadly game no one can win?

Ivy Lace geht in die prickelnde zweite Runde! Hast du schon mal einen Fremden in deinem Büro verführt? "Da müsste mir schon jemand gute Argumente bieten, warum ich länger aufbleiben sollte ..." Lächelnd beugte er

sich zu ihr und legte die Lippen an ihr Ohr. "Weil die Nacht uns allein gehört. Weil wir nachts tun können, was wir wollen", raunte er. "Und ich werde dir genau das geben, was du willst, French Princess." Estelle erschauerte neben ihm. "Du meinst also, du kennst meine tiefsten Wünsche?" "Mit unzähligen Orgasmen macht man nie etwas falsch." Sie schmunzelte und grub die Fingernägel verheißungsvoll in seinen Unterarm. "Unzählige ist eine sehr ungenaue Angabe für einen Zahlenliebhaber wie dich." "Vertrau mir, Elle. Morgen früh wirst du dich gar nicht mehr daran erinnern, wie oft du heute Nacht meinen Namen geschrien hast." Estelles Ziele waren immer klar: Als erfolgreiches Model raus aus dem verschlafenen San Colina. Weg aus der verhassten Stadt, deren Bewohner sie als ein oberflächliches Modepüppchen ansehen. Nur um mit ihren Schwestern das Erbe ihrer Mutter anzutreten, kam sie an die Westküste zurück. Da kann sie den heißen Privatdetektiv Milo Magnusson überhaupt nicht gebrauchen, der plötzlich in ihrem Hotel herumschnüffelt und nach den perfekt geschwärzten Büchern ihrer Mutter sucht. Aber was spricht gegen ein bisschen Spaß, bevor er verschwindet? Der Roman ist in sich abgeschlossen und kann unabhängig gelesen werden.

The Magic World (1909) is a collection of twelve children's fantasy stories by English writer Edith Nesbit. Using elements of magic and mystery familiar to readers of her beloved Bastable and Psammead Trilogies, Nesbit crafts tales of wonder and adventure for children and adults alike. In "The Cat-hood of Maurice," a young boy learns firsthand

the consequences of mistreating the family cat. One day, Maurice attaches an empty sardine can to Lord Hugh's tail, terrifying and traumatizing the poor cat. When his father gets home, Maurice is told that he will be spending the next week at Dr. Strongitharm's school for wayward boys. At the last moment, Maurice discovers Lord Hugh in his room, who reveals to the boy a magic word that will turn him into a cat. In "Accidental Magic," a boy named Quentin is sent to school in Salisbury. Immensely interested in archaeology and history, Quentin is excited to learn that he will be able to visit Stonehenge while at school. After getting in a fight with a bully, Quentin runs away in fear of expulsion and escapes through the fields toward Stonehenge. There, he searches for the fabled altar stone, where, exhausted and scared, he falls asleep. When he wakes up, he finds he has been transported to the lost world of Atlantis, where the people call him the "Chosen of the Gods," but fail to reveal what it is he is chosen for. With a beautifully designed cover and professionally typeset manuscript, this edition of Edith Nesbit's *The Magic World* is a classic of English children's literature reimagined for modern readers.

Five Days In May Patricia D. Eddy
In this stunning novel, C. W. Gortner brings to life Juana of Castile, the third child of Queen Isabel and King Ferdinand of Spain, who would become the last queen of Spanish blood to inherit her country's throne. Along the way, Gortner takes the reader from the somber majesty of Spain to the glittering and lethal courts of Flanders, France, and Tudor England. Born amid her parents' ruthless struggle to unify and strengthen their kingdom, Juana, at the age of sixteen, is sent to wed Philip, heir to the

Habsburg Empire. Juana finds unexpected love and passion with her dashing young husband, and at first she is content with her children and her married life. But when tragedy strikes and she becomes heir to the Spanish throne, Juana finds herself plunged into a battle for power against her husband that grows to involve the major monarchs of Europe. Besieged by foes on all sides, Juana vows to secure her crown and save Spain from ruin, even if it costs her everything. **BONUS:** This edition contains an excerpt from C. W. Gortner's *The Queen's Vow*. Praise for *The Last Queen* "This moving tale of Juana la Loca (the Mad) vividly re-creates the passion, politics, and betrayals that drove a smart and spirited queen to the brink of insanity . . . or perhaps, as C. W. Gortner suggests, to the pretense of insanity—a pretense that baffled Juana's enemies and led to triumph for her children and her country. *The Last Queen* is an absorbing account of one of history's most fascinating women, from her never-before-told point of view."—Donna Woolfolk Cross, author of *Pope Joan* "I ached for this intelligent, one-of-a-kind queen. Her struggle and passion kept me up until the early hours of the morning. A page-turner, a nail-biter, an eye-opener: I loved being possessed by *The Last Queen*!"—Ki Longfellow, author of *The Secret Magdalene* "A vibrant tapestry of love and hate . . . brings to life an extraordinary queen at an unforgettable time in history."—Sandra Worth, author of *Lady of the Roses* "An exquisite evocation of a dangerous era and of a forgotten queen."—Holly Payne, author of *The Virgin's Knot* "Gripping and unforgettable . . . captures Juana of Castile's electrifying drama."—Judith Merkle Riley, author of *The Water Devil*

A tale inspired by the life of Henry VIII's sixth wife follows her reluctant marriage to the egotistical and powerful king in spite of her love for Thomas Seymour, a situation that compels her to make careful choices in a treacherous court.

The Greatest Works of French Literature (English Edition) Penguin
 Legendary FBI profiler and New York Times bestselling author John Douglas explores the shocking case of John Robinson a harmless, unassuming family man whose criminal history began with embezzlement and fraud - and ended with his arrest for the savage murders of six women and his suspected involvement in at least five disappearances. Most disturbing was the hunting ground in which Robinson seduced his prey: the world of cyberspace. Haunting chat rooms, targeting vulnerable women, and exploiting the anonymity of the Internet, his bloody spree was finally halted by a relentless parole officer who spent ten years trying to nail Robinson as a cold-blooded killer. A cautionary tale set in a virtual world where relationships are established without the benefit of physical contact, **ANYONE YOU WANT ME TO BE** is a contemporary real-life drama of high-tech crime and punishment.

How did the hottest hockey player in the NHL wind up braiding hair and hosting tea parties? Because someone was foolish enough to name him the guardian of their children. That's how. Cole Montgomery's living his best life--until he gets a call from an attorney letting him know he's been entrusted with the care of two little girls. He can't imagine why anyone would think he was a good role model. He can't even keep a plant alive. Lingerie designer Jubilee Casselton grew up with a free-spirited mother. So, when she finds out she's the temporary co-guardian to two children, she's determined to give them the best Christmas they've ever had.

Unfortunately, she has to live with the jerk from high school who ruined her senior year. But she gets a glimpse of the man behind Cole's larger-than-life persona, and she likes what she sees. He might be used to living for himself, but he works hard to change his ways and meet the needs of these lost and scared girls. It doesn't take long for her to enter dangerous territory--falling for a guy who's never going to settle down. Except...as much as Cole keeps saying he can't wait to get his freedom back...he can't deny these girls--and okay, even Tallulah--have become the very best part of his life. And he's not quite sure what to do about that.

The Wrong Girl Simon and Schuster
 From Ninie Hammon, the sorceress of
 supernatural suspense comes Five Days
 in May, a tense, prophetic nightmare
 that will keep your eyes glued to the text
 through the very last page. Three

members of the McIntosh family are
 setting appointments with death: Friday,
 May 10, 1963. That's the day an F5
 tornado will rip across Oklahoma,
 obliterating everything in its path. Pastor
 Mac McIntosh lost his faith when his wife
 died — it's time to end the charade. But
 when a mysterious inmate called
 Princess is set to be executed, he
 grudgingly agrees to meet with her in
 her final days. Princess has watched Mac
 and his family for years, looking out
 through someone else's eyes. She
 speaks to Mac's heart with insight and
 grace, while in her own heart she
 harbors a secret she's determined to
 carry to her grave about the little sister
 she confessed to beheading 14 years
 ago. Princess knows the monster
 tornado is coming. She calls it The Big
 Ugly and she pleads with Mac to run! But
 by then, it's too late. For all of them.

Shelby Chapelle was a loner whose ideal night involved old sci-fi flicks and chocolate. But last year, she met the tall, tattooed Becca Gallagher and her life changed. Together with art-goth poet Amber Fellerman and number-obsessed Elisa Crunch, they formed the Queen Geek Social Club and set out to find others of their kind. First rule of the Queen Geeks: never let guys get in the way. This year, Becca has big plans for the Queen Geeks. She thinks working on the club's website and planning Geekfest (a talent show of geek-tastic proportions) should be Shelby's number one priority. Guys have always been strictly secondary to the goal of spreading geekiness to every corner of Green Pines High School...and then the world! But sophomore year heats up when Shelby is swept off her feet by the karaoke stylings of a guy named Fletcher. And then Becca and Amber fall for the same guy, which results in a cursed love triangle. (Or a doomed love rhombus, if you count Shelby and Fletcher.) The going can get tough when Queen Geeks fall in love, but Shelby knows that being true to your inner geek is the most important thing. That, plus peace, love, and chocolate.

The Sheik & The Princess In Waiting
FriesenPress

Sunday Times Bestseller With a brand new introduction for 2020. *How Do You Want Me?* is critically acclaimed as brutally honest, vivid and gripping. Ruby Wax's unflinching revelation of a childhood poisoned, and a youth spoiled, culminates in a moving account of her breakdown and recovery. But *How Do You Want Me?* is also funny, rude and irreverent. It's unusually honest about fame and celebrity and happy to burst ego-balloons and golden myths. A brilliantly fast, furious and surprising read from the inimitable Ruby Wax.
