Annual Report of the Louisiana State
Department of Education for the Session

...

This one-volume treatise summarizes and explains a myriad of legal trends and principles in the rich and varied field of American education law. The second edition of Practical Education Law for the Twenty-First Century is divided into ten chapters, each dealing with a substantive area in education law. Topics covered include school finances, school search and crime issues, residency and fee issues, basic labor law, alternative education and vouchers, injuries to students, athletics, and the overall organization and regulation of public education. Within each chapter are a number of concise sections that address specific legal concerns. Citations are nationwide in scope and include references to updated federal and state case law, federal statutory law, and state statutory law. Practical law tips appear throughout the volume. This highly readable text is extremely accessible to nonlegal audiences, as well as useful to the legally trained reader and to the law student.

**Official Journal of the Proceedings of
the Senate of the State of Louisiana,**

...

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Congressional Record

A narrative topical summary of decisions of the higher courts in all states of the United States of America in cases involving school law, as reported during the preceding calendar year.

Southern Reporter

Includes the decisions of the Supreme Courts of Alabama, Florida, Louisiana, and Mississippi, the Appellate Courts of Alabama and, Sept. 1928/Jan. 1929-Jan./Mar. 1941, the Courts of Appeal of Louisiana.

Race Relations Law Reporter

Adapted from its parent volume Education Law, 5th Edition, this accessible text concisely introduces topics in law that are most relevant to teachers. Providing public school teachers with the legal knowledge necessary to do their jobs, A Teacher's Guide to Education Law covers issues of student rights, discipline, negligence, discrimination, special education, teacher rights, hiring and firing, contracts, unions,

collective bargaining, and tenure. Special Features: This revised edition includes new content on bullying, privacy, discrimination, school finance, and issues relating to Internet and technology, as well as updated references and case law throughout. To aid comprehension, technical terms are carefully explained and summaries of key topics and principles are provided. Case law is presented within the context of real-world examples, making this text accessible to pre-service teachers who have little background in law. A companion website provides additional resources for students and instructors, such as links to full cases and a glossary of key concepts.
