A
comprehensiv
e guide to the

medical,
emotional,
and social
issues of trans
kids. These
days, it is
practically

impossible not to hear about some aspect of transgender life. Whether it is the bathroom issue in North Carolina, trans people in the military, or on television, trans life has become front and center after years of marginalization. And kids are coming out as trans at younger and younger ages, which is a good thing for them. But what written resources are available to parents, teachers, and mental health professionals

who need to support these children? Elijah C. Nealy, a therapist and former deputy executive director of New York City's LGBT Community Center, and himself a trans man, has written the first-ever comprehensive guide to understanding, supporting, and welcoming trans kids. Covering everything from family life to school and mental health issues, as well as the physical,

social, and emotional aspects of transition, this book is full of best practices to support trans kids. [The Joy of Being Gay](#) HarperCollins A May-December contemporary gay romance for lovers of second chances David James is smart, successful, handsome, and alone. After the death of his lover, Kyle, from cancer, he buried himself in his law practice and the gym. At forty-eight,

he is haunted by his memories and walled off from the world. When David injures himself working out, he's assigned to Brandon Smith for physical therapy. The vibrant young therapist is attracted to David and realizes he needs a hand to get back into dating. What begins as a practice coffee date escalates to friendship, passion, and maybe something more, as they navigate a

new relationship in Washington, DC, and the gay mecca of Provincetown. But David remains trapped behind the barrier of fear and guilt. Will he remain loyal to Kyle's memory if he moves on? Can he and Brandon manage a twenty-two-year age gap? Brandon thinks he understands David's concerns, and for him, the answer to those questions is yes. He wants to be with

David, and he believes he can overcome David's barriers. But Brandon fails to account for the world's reaction to a handsome young man attached to an older, wealthy lover. David's memories, Brandon's pride, and an unexpected tragedy might cost them something very special; **Pride** Beacon Press
An intimate photographic glimpse into the queer world behind the closed doors of modern

Japanese society The LGBTQ community in Japan has faced its challenges. Even as some religious and warrior orders have a long and recognized tradition of same-sex love, to be considered different, to be “the nail that sticks out,” makes coming out difficult. Despite the conservative strain within Japanese society that encourages the LGBTQ community to remain

unseen, a welcome change is happening on the ground. A number of queer cultural figures are opening up new horizons, and a growing majority of Japanese people believe that homosexuality should be an integral and open part of society. The latest in a series of beautiful, affordable photobooks that look at LGBTQ communities around the world, Edges of the Rainbow is a

photographic celebration of the queer community in Japan. In a set of more than 150 color and black-and-white photographs, acclaimed photographer Michel Delsol and journalist Haruku Shinozaki have brought together a fascinating group of individuals to create an unforgettable and uplifting look at a proud and resilient community on the margins of Japanese society. Edges of the

Rainbow was designed by Emerson, Wajdowicz Studios (EWS). *Pride and Joy* New Press, The ~Lambda Literary Award finalist for the best LGBT YA novel of 2018~ A fresh, charming rom-com perfect for fans of Simon vs. the Homo Sapiens Agenda and Boy Meets Boy about Nathan Bird, who has sworn off happy endings but is sorely tested when his former best friend, Ollie, moves back to town.

Nathan Bird doesn't believe in happy endings. Although he's the ultimate film buff and an aspiring screenwriter, Nate's seen the demise of too many relationships to believe that happy endings exist in real life. Playing it safe to avoid a broken heart has been his MO ever since his father died and left his mom to unravel—but this strategy is not without fault. His best-friend-turned-girlfriend-turned-best-

friend-again, Florence, is set on making sure Nate finds someone else. And in a twist that is rom-com-worthy, someone does come along: Oliver James Hernández, his childhood best friend. After a painful mix-up when they were little, Nate finally has the chance to tell Ollie the truth about his feelings. But can Nate find the courage to pursue his own happily ever after? **Transgender Rights** Rowman &

The LGBT
Journey to
Parenthood is
unique in that
it offers useful
and practical
information
that will help
in the very
early stages of
family
planning.
These
inspirational
first-hand
accounts
provide key
insights and
the critical
information
needed to
make
informed
decisions for
successfully
traveling the
complex road
to parenthood.
Author,
activist and
father, Eric

Rosswood
guides and
helps
prospective
LGBT parents
to weigh their
options and
learn which
path would be
best for their
family.
Rosswood also
shares the
experiences
and wisdom of
others who
have already
been through
the journey.
The LGBT
Journey to
Parenthood is
divided into
five sections:
adoption,
surrogacy,
foster care,
assisted
reproduction
and co-
parenting.
Each section

includes an
overview, a
list of pros and
challenges for
readers to
consider,
personal
stories from
parents who
have been
through the
process and
closes with a
list of
questions for
couples to ask
themselves.
Same-sex
couples are
faced with
many different
options when
choosing to
have children
today. The
LGBT Journey
to Parenthood
will serve as
an informative
and essential
handbook for
couples

navigating
their own
amazing path
to parenthood.

Book Review
Hugh Ryan's
When
Brooklyn Was
Queer is a
groundbreakin
g exploration
of the LGBT
history of
Brooklyn, from
the early days
of Walt
Whitman in
the 1850s up
through the
queer women
who worked at
the Brooklyn
Navy Yard

during World
War II, and
beyond. No
other book,
movie, or
exhibition has
ever told this
sweeping
story. Not only
has Brooklyn
always lived in
the shadow of
queer
Manhattan
neighborhood
s like
Greenwich
Village and
Harlem, but
there has also
been a
systematic
erasure of its
queer
history—a
great
forgetting.
Ryan is here
to unearth
that history
for the first
time. In

intimate,
 evocative,
 moving prose
 he discusses
 in new light
 the
 fundamental
 questions of
 what history
 is, who tells it,
 and how we
 can only make
 sense of
 ourselves
 through its
 retelling; and
 shows how the
 formation of
 the Brooklyn
 we know
 today is
 inextricably
 linked to the
 stories of the
 incredible
 people who
 created its
 diverse
 neighborhood
 s and cultures.
 Through them,
 When

Brooklyn Was
 Queer brings
 Brooklyn's
 queer past to
 life, and
 claims its
 place as a
 modern
 classic.

 A parenting

guide tailored to gay dads in the post-DOMA era, featuring advice from pediatricians, educators, lawyers, and other same-sex parents. More and more gay men are turning to adoption and surrogacy to start their own families. An estimated two million American LBGtQ people would like to adopt, and an estimated 65,000 adopted children are living with a gay parent. In 2016, The Chicago

Tribune reported that ten to twenty percent of donor eggs went to gay men expanding their families via surrogacy, and in many places the numbers were up fifty percent from the previous five years. Having a kid is like coming out all over again—daily—especially if you have an infant. If you found coming out stressful, it's about to get more intense. You will have a child observing

your every word and action. If you stutter or pause, they could pick up on your discomfort and may begin feeling like something is wrong about their family unit. But don't worry! This guide is packed with tools to build your confidence and become the awesome dad you were meant to be. Unlike other parenting books with whole chapters dedicated to mothers (such as how to get

the perfect latch when breastfeeding), this book offers subjects more relevant to gay fathers. It addresses how to find LGBTQ-friendly pediatricians and schools, how to childproof your home with style, how to answer potentially awkward questions about your family from strangers (like "Where is their mother?"), how two-dad families can celebrate Mother's Day, and much

more. The book also includes tips and advice from pediatricians, school educators, lawyers, and other same-sex parents. September Black Dog & Leventhal This PRIDE design is here to support the LGBTQ community with my whole heart! Know your dreams will come true, to shine like the star you are, you are beautiful, the acceptance of "I am", and together: powerful. Open up and

write down 5 things a day to be grateful (and track your exercise successes) for and more things happen to be grateful for! It's the Gratitude Loop in this blank, lined journal. I have never been happier to share a collage I created! With new techniques and here for PRIDE 2021! It didn't start out to spell "Love", it just happened when I saw the "L" and it was powerful! It practically created itself

and a pure joy to make. LOVE LOVE LOVE! PRIDE Power Together Mango Media Inc. Shortlisted for Lesbian Memoir/Biography Lammy Award Rendered in bronze, covered in white lacquer, two women sit together on a park bench in Greenwich Village. One of the women touches the thigh of her partner as they gaze into each other's eyes. The two women are part of George Segal's iconic sculpture "Gay Liberation," but these powerful symbols were modeled on real people: Leslie Cohen and her partner (now wife) Beth Suskin. In this evocative memoir, Cohen tells the story of a love that has lasted for over fifty years. Transporting the reader to the pivotal time when brave gay women and men carved out spaces where they could live and love freely, she recounts both her personal struggles and the accomplishments she achieved as part of New York's gay and feminist communities. Foremost among these was her 1976 cofounding of the groundbreaking women's nightclub Sahara, which played host to such luminaries as Betty Friedan, Gloria Steinem, Pat Benatar, Ntozake Shange, Rita Mae Brown, Adrienne Rich, Patti Smith,

Bella Abzug, and Jane Fonda. *The Audacity of a Kiss* is a moving and inspiring tale of how love, art, and solidarity can overcome oppression. *The Audacity of a Kiss* The New Press Joe Glass's *The Pride* in a full omnibus trade paperback, collecting volumes 1 and 2 as well as the collection of self-contained stories, *The Pride Adventures!* In *The Pride*, FabMan is sick of being seen

as a joke. Tired of the LGBTQ+ community being seen as inferior to straight heroes, he thinks it's about damn time he did something about it. Bringing together some of the world's greatest LGBTQ+ superheroes, the *Pride* is born to protect the world and fight prejudice, misrepresentation and injustice--not to mention a pesky supervillain or two. *The Pride*

Adventures brings a whole host of extra, self-contained stories and adventures starring the heroes of the *Pride!* See the team members face down crazed shooters, invasions, and even a sixty-foot-tall drag queen! Featuring a slew of incredible artistic talent, plus stories from writers Mike Garley, Sina Grace and PJ Montgomery too! Follow the LGBTQ+ heroes into whole new stories and

meet even more characters in the world of The Pride! Join the Pride as they work to change the world and show just what they can do! Collects the original digital series The Pride and The Pride Adventures in print for the first time. "[F]or readers hungry for queer superheroes. Joe Glass' The Pride introduces a superhero universe built on LGBTQ+ inclusion, following a team that is

explicitly created to show the range of the queer experience. The Pride features superheroes who are gay, lesbian, bi, trans, non-binary, and children of gay parents. Glass blends modern queer issues with classic superhero storytelling to tell narratives that classic superhero comics haven't touched. . . . The Pride excels at using queer struggle and joy to show a

different side of the superhero genre."--AV Club "I highly recommend this smart, charming, wonderful book to anyone who likes good comics. It's absolutely a pleasure to read and a clear labor of love."--Gail Simone, Batgirl, Leaving Megalopolis, Clean Room "Old-school and progressive at the same time. Classic, high-energy superhero action that gives the

queer community the heroes they've always deserved."-- Steve Orlando, *Midnighter*, Virgil "The Pride is the modern, inclusive, and compelling superhero epic the world needs today."-- Alex Segura, co-writer of *The Black Ghost* and author of the acclaimed *Pete Fernandez Miami Mystery* novel series. *The Book of Delights* The New Press THE BOOK OF PRIDE

captures the true story of the gay rights movement from the 1960s to the present, through richly detailed, stunning interviews with the leaders, activists, and ordinary people who witnessed the movement and made it happen. These individuals fought battles both personal and political, often without the support of family or friends, frequently under the threat of violence and

persecution. By shining a light on these remarkable stories of bravery and determination, *THE BOOK OF PRIDE* not only honors an important chapter in American history, but also empowers young people today (both LGBTQ and straight) to discover their own courage in order to create positive change. Furthermore, it serves a critically important role in ensuring the history of the LGBTQ

movement
can never be
erased,
inspiring us to
resist all forms
of oppression
with ferocity,
community,
and, most
importantly,
pride

The first-ever
illustrated
history of the
iconic designs,
symbols, and
graphic art
representing
more than 5
decades of
LGBTQ pride
and activism--
from the
evolution of
Gilbert Baker's
rainbow flag
to the NYC
Pride typeface
launched in
2017 and

beyond. Organized by decade beginning with Pre-Liberation and then spanning the 1970s through the millennium, QUEER X DESIGN will be an empowering, uplifting, and colorful celebration of the hundreds of graphics-from shapes and symbols to flags and iconic posters-that have stood for the powerful and ever-evolving LGBTQ movement over the last five-plus decades.

Included in the collection will be everything from Gilbert Baker's original rainbow flag, ACT-UP's Silence = Death poster, the AIDS quilt, and Keith Haring's "Heritage of Pride" logo, as well as the original Lavender Menace t-shirt design, logos such as "The Pleasure Chest," protest buttons such as "Anita Bryant Sucks Oranges," and so much more. Sidebars

throughout will cover important visual grouping such as a "Lexicon of Pride Flags," explaining the now more than a dozen flags that represent segments of the community and the evolution of the pink triangle. The Ultimate Guide for Gay Dads Black Dog & Leventhal Delhi offers a stunning series of more than 150 full-color documentary photographs

and companion first-person texts, which together offer an unprecedented portrait of LGBTQ people's lives in India today. Focusing on Delhi, noted photographers Sunil Gupta and Charan Singh chronicle the halting emergence of networks of men and women living under the shadow of stigma and criminalized behavior—in a country where anti-sodomy laws dating back to the

British Empire were recently struck down, only to be reaffirmed in a surging wave of homophobia. The photographs in this lavishly presented volume reflect the photographers' celebrated capacity for entering into lives rarely seen. In Delhi, we are invited into the daily routines, work, homes, and intimate lives of subjects from different backgrounds—from urban professionals to day

laborers. A visually arresting document in its own right, Delhi presents American readers with a starting point for understanding the profound struggles for recognition by India's LGBTQ community. Delhi was designed by Emerson, Wajdowicz Studios (EWS). **Delhi** Mango Media Wicked funny and hella gay, it's time for Taylor Parker to come outabout a lot of things. Taylor Parker has always

been a funny girl—but when she is accepted as a finalist for a diverse writers’ internship at Saturday Night Live, it turns her life upside down. If she wants a shot at winning in a little more than a month, Taylor will have to come out about both of her secrets: She wants to be a comedian . . . and she’s a lesbian. With a mom who gave up a career in comedy to raise her, and a comedian dad who left

for a younger woman, working in comedy is a sore subject in Taylor’s house. To keep her secret under wraps, she sneaks out to do improv and hides her sketches under the bed, and to distract from her anxiety about the competition, Taylor frequents Salem’s Museum of Witchcraft to pine for Abigail Williams from the back row. It’s at the Museum of Witchcraft

where Taylor falls deeper in love with the girl who plays Abigail Williams—Charlotte Grey, an out and proud lesbian at Nathaniel Hawthorne High. Charlotte radiates so much confidence in her acting and queerness that Taylor can’t resist her. So when Charlotte reaches out for help on a school project, Taylor readily agrees. As they spend more time together, Taylor sees what living her

truth and pursuing her dreams could bring her, but Charlotte can't understand why someone as funny as Taylor wouldn't go all out to make the most of her opportunities. To live up to her own comedy dreams and become the person she wants to be, Taylor will have to find the confidence to tell everyone exactly who she is and what she wants.

The GayBCs

Page Street Kids Set against the backdrop of San Francisco during the gay rights movement of the 1970s, Gilbert's story unfolds just like the flag he created: in a riot of color, joy, and pride. Today the flag is everywhere, even in the small town where Gilbert grew up! Includes a Reader Note that provides more in-depth discussion of the beginnings of the gay rights movement and a more

detailed look into Gilbert Baker's place in our shared history. **There Are Trans People Here** Haymarket Books A glittering celebration of queer families puts Pride gently in perspective—honoring those in the LGBTQ+ community who fought against injustice and inequality. Pride's . . . a day that means "Together, we are strong!" This joyful picture-book homage to a

day of community and inclusion—and to the joys of anticipation—is also a comprehensive history. With bright, buoyant illustrations and lyrical, age-appropriate rhyme modeled on “’Twas the Night Before Christmas,” it tackles difficult content such as the Stonewall Riots and the AIDS marches. On the night before Pride, families everywhere are preparing

to partake. As one family packs snacks and makes signs, an older sibling shares the importance of the march with the newest member of the family. Reflecting on the day, the siblings agree that the best thing about Pride is getting to be yourself. Debut author Joanna McClintick and Pura Belpré Award-winning author-illustrator Juana Medina create a new classic that pays homage

to the beauty of families of all compositions—and of all-inclusive love.

Queer X Design

Algonquin Books
More than forty years have passed since members of the LGBTQ community took to the streets of New York City on the first anniversary of the Stonewall Riots for the world’s first march for gay rights. From its modest, though ambitious, beginnings, the annual

event has grown into an all-encompassing celebration of queer culture, drawing more than a million people. It has also come to mean many things to many people. For some, Pride has become too commercial or irrelevant as queer culture has become mainstream. To others, the festivities should be less about the politics of the gay rights movement and more about a joyful celebration of what it means

to be queer. But for anyone with a passion for freedom and for vivid, thoughtful photography, *Pride & Joy*—by noted photographer Jurek Wajdowicz with an introduction by the nationally known satirist and activist Kate Clinton and published in the wake of the historic U.S. Supreme Court decision on same-sex marriage—is an ode to this New York institution. Energetic, colorful, and irreverent,

these images are a playful confirmation of equality. Incorporating portraits of marchers and bystanders and leading figures in the LGBTQ community, these photographs revel in the rich diversity of the parade. Exquisitely presented, the book includes interviews with members of the queer community about their relationship to the march, offering a startling variety of responses to this integral

part of New York life. *Pride & Joy* is an inspiration not only to the queer community but to all those still fighting for their basic human rights. The fourth in a major new series of LGBT-themed photography books, *Pride & Joy* is a visual treat for photography lovers, an inspiration for the global queer community, and a singular tribute to New York City. *Pride & Joy* was designed by Emerson,

Wajdowicz Studios (EWS). [We Make It Better](#) New Press, The perfect primer for kids ages 8-12, this book celebrates love, hope, equality, and progress by taking an inspirational and essential look at the rich history and culture of the LGBTQIA+ community in the United States and around the world. The history of the LGBTQIA+ community has often been overlooked, but it's one

that is filled with heroes, struggles, triumph, and joy. A Child's Introduction to *Pride* is full of remarkable stories of groundbreaking events and inspirational people, featuring profiles of dozens of queer icons from various time periods and walks of life. Young readers will meet members of the community who have made big contributions to politics—like Harvey Milk

and Marsha P. Johnson—as well as important people from the worlds of sports, music, literature, dance, science, and more. Kids will also be introduced to key terms like "gender" and "identity" while learning about the importance of coming out

and what it means to be a good ally. In addition to learning about the history of the LGBTQIA+ rights movement, A Child's Introduction to Pride offers a kid-friendly guide to understanding pronouns and intersectionality, as well as explorations of "gayborhoods,

" Featuring charming illustrations and a lively design that honors the vibrancy and inclusive nature of the wide-ranging LGBTQIA+ community, A Child's Introduction to Pride is a celebration of a movement that readers of all ages will love.
